

2015 RLSC Activities

June. Tremendously well supported Rounders Tournament with 16 village teams from the locality. 12 adult team, 4 childrens' teams and spectators attended. For that day, at least, it put Ashendon at the centre of our community of local villages. Thanks to Chris Rand for the parking, Eloise and her team who organised the day, Matt and his team for providing food and drink, and a myriad of other people who made it happen. Although we are not holding the same event this year, we plan to host it again next year.

September. The popular Progressive Supper, 35 diners, raised £425 for APFA.

October. Conker Championship with over 40 attendees.

November. Race Night, a splendid evening, sold out, profits donated to APFA for children's play equipment.

December. Children's Christmas Party, 26 under 11s attended. Sloe Nouveau held in The Hundred with 21 entries. Christmas Auction held in The Hundred raised £2400, of which one-third went to the church, the remainder back into the community to support RLSC events. This was another big event that could not have happened without the generous support of Matt and his team, Les for his auctioning skills, a team behind him organising the lots, everyone who donated and everyone who bid.

2016

January. Senior Citizens dinner had 36 attendees; several notes and emails of appreciation were received.

February & March. Quizzes were much better supported this year, 11 teams in Feb. and 8 in March. Finally, this easter Eloise organised a very successful Easter Egg Hunt.

There are too many people to thank in helping make all these social events happen. In fact there are very people in Ashendon who haven't, in some way, contributed to this social calendar.
