### **PROPOSAL 21-22 B: O60s-League: START-TIMES**

**Proposer: Torbay**

**Seconder: tba**

**To be voted on at the April-25<sup>th</sup> DCIBA Executive Meeting**

**It is proposed that:-**

That all over 60's games should be a morning start. Our (Torbay's) thoughts behind this are that teams would be travelling outside of any rush hour traffic and would be travelling in daylight both ways to most venues. We know that this would mean some clubs having to reorganise local leagues, roll up's etc but we feel it would be beneficial.
