

## Advent Window Walk, Christmas Eve 2-4pm.

Very sadly we don't feel that it's going to be possible to hold a Crib service this year, so we'd like to suggest an alternative. Why not take some time on Christmas Eve afternoon and complete a walk round the Advent windows? You can do this in your family bubbles and between 2-4pm come to the Church to see the last 'window'. There, your children can also pick up a covid safe, DIY Christingle bag to take and make your own Christingle at home.

We also plan to have the Church open so that if your children would like they can come in to Church, select a figure or animal and put it in the Crib scene in the Church. If you know that you are going to come along then please let Joanna Beech know on [joanna.beech97@gmail.com](mailto:joanna.beech97@gmail.com) or on 852312 and we can reserve a Christingle bag for your child. But if your plans are more fluid, then just come along anyway and we will have a number of extra bags available.

We look forward to seeing you there to wish you a very Happy Christmas.

**St Mary's Church and the Advent window team.**

## Frittenden Advent Window displays

List of houses with the date the advent windows will be revealed.

Householders have agreed if you cannot see the window from the road/footpath you may go on to the property, keeping to the footpath or drive.

**Please be respectful** of the fact you will be on private property
