	Tower Meadows	On the junction with Station Street	Green	Not located
	Princes Street	On the lane to allotments, near the Water Tower	Green	✓
	Whitsands Road	Near Steeple View	Large	Not located

Additional Bins location suggestions

White Cross Road	On grass at junction of White Cross Road/Beech Close	Needed to support the dropped litter from school access
Church Walk	Church Walk near VIBs and cycle racks	Now that racks have been added and the through traffic from Church Walk to town centre, a bin would be useful. Could spread out those along this walkway.
