

Residents Survey "Post it" comments 18.11.2017 against Draft Vision and Objectives

- Objective 1

- Maintain and enhance village character!
- Define village character
- Define rural economy
- Define infrastructure.

Infrastructure should include facilities too.

- Consideration should be given to providing "attractions" ** in the village to encourage people to stop and spend money – hence a higher profile within local area.

** the development of the sand quarry as a "leisure point" is an example.

- Location of any new not to lose our natural environment.

Natural Environment.

- Yes I agree – still a village.

- Big concern re Bollards in Dixon Drive. Feel they should be retained otherwise – rat run

- Need an overflow car park for the Doctors Surgery. ?On the old cattle market site.

- I want there to be a bakery store x 2

- Please put all these details on the computer as not everyone is able to come today.
