The Precept is set at £7500 for the year an increase of £3485 year on previous year. The resulting increase to a band D property per month equating to £4.96 per month.

The increase relates to legal fees in relation to a boundary dispute, an increase in insurance costs due to result of the boundary dispute and loss of no claims, an increase in the cost of grass cuts relating to additional verge areas being cut, general inflation on amenities and less income being generated from the Village Hall hire/events.
