Admission:

Adults £2.50. Seniors & concessions £1.50

Under 14s and Horticultural Show Exhibitors free

We would like to thank the PCC and the Reverend Emma Racklyeft for making us welcome for another year in All Saints Church Hall and grounds.

If you are new to exhibiting, or need some reminders, please read on. Most exhibits will be in the main hall with floral art, photography and possibly large items such as quilts, being staged in the Church.

The outside areas, including the car park will be used for stalls and entertainments so please note there will be **no parking on site**.

Exhibitors in the Horticultural Show

There will be a one-way route to drive in and drop off your exhibits. You will then need to park in the Village Centre or Kidmore Lane Car Park before returning to stage your exhibits. We do ask you to be patient, and for everyone's safety follow the stewards' instructions. Please allow plenty of time for dropping off and placing your exhibits between 7.30am and 9.30am on the day, or on Friday 28th between 6.00pm and 8.00pm.

If you have never entered a show before, here are a few hints to help you:

- Read the schedule and rules very carefully, especially where the number of items or size are specified.
- If you are not sure about the requirements of a particular class, contact Sheena Burns, rosheen004@hotmail.com
- Send in your entry form and fee before the deadline (Wednesday 26th August) and keep a note of what you are entering.
- Make sure you arrive in good time to stage your exhibit(s). Exhibitors **must** leave the hall by 9.30am for judging to begin.
- When you arrive collect your entry cards from the table inside the hall to place with your exhibits.
- Please do not touch other people's exhibits, if you need more space ask a steward.
- Don't take it too seriously, learn from mistakes, and most of all have fun!

Exhibitors will be issued a free entry pass to the Show on the day.

We look forward to seeing you.

SET RECIPE FOR CLASS 151 – Orange and fennel upside-down cake

Ingredients for the cake mixture:

400g caster sugar
3 oranges, 2 cut into 3mm slices and 1 zested
3 large eggs
200g butter, softened, plus extra for greasing
200g self-raising flour
80g Greek yogurt
1 tbsp fennel seeds
½ tsp baking powder

Method

Put 200g caster sugar and 120ml water in a saucepan and heat over a medium heat, stirring until the sugar dissolves. Add the orange slices, bring to a simmer, then bubble for 15 mins until the rinds are beginning to turn translucent. Remove from the heat and set aside in the pan.

Toast the fennel seeds in a dry frying pan over a medium-high heat for 3-4 minutes until fragrant. Set aside ¼ tsp and grind the rest to a fine powder with a pestle and mortar.

Preheat the oven to gas mark 4, 180 degrees C, fan 160 degrees C and grease and line a deep 20cm round cake tin: place on a baking tray. Scatter the reserved toasted fennel seeds into the bottom of the prepared tin, then carefully arrange the orange slices on top, starting in the centre and overlapping slightly as you spiral around all the way to the edges. Drizzle over 3 tbsp of the orange syrup, reserving the rest.

Beat the butter, remaining 200g caster sugar and orange zest together with an electric whisk until pale and creamy. Add the eggs, one at a time, mixing well after each addition. Fold in the flour, baking powder, ground fennel seeds and a pinch of salt until just combined.

Spoon in the yogurt and fold in until just combined. Spoon the mixture over orange slices and smooth out the top with the back of a spoon. Bake for 50-55 mins until golden and the cake springs back when pressed in the centre, checking after 40 mins and covering with foil if it's browning too quickly. Leave to cool for 5 mins, then run a knife around the edge of the tin and invert onto a serving plate. Leave to cool completely.

SET RECIPE FOR CLASS 235

Devonshire Honey Cake

Ingredients

- | | |
|---|-------------------------|
| 225g unsalted butter | 3 large eggs - beaten |
| 100g dark muscovado sugar | 300g self-raising flour |
| 250g clear honey plus 2 tbsp extra to glaze | |

Method

Step 1 - Preheat the oven to fan 140C / conventional 160C / gas mark 3. Butter and line a 20cm round, loose bottomed cake tin. Cut the butter into pieces and drop into a medium pan with the honey and sugar. Melt slowly over a low heat. When the mixture looks quite liquid, increase the heat under the pan and boil for about one minute. Leave to cool for 15-20 minutes, to prevent the eggs cooking when they are mixed in.

Step 2 - Beat the eggs into the melted honey mixture using a wooden spoon. Sift the flour into a large bowl and pour in the egg and honey mixture, beating until you have a smooth, quite runny batter.

Step 3 - Pour the mixture into the tin and bake for 50 minutes – 1 hour, until the cake is well-risen, golden brown and springs back when pressed. A skewer pushed into the centre of the cake should come out clean.

Step 4 – Turn the cake out on a wire rack. Warm 2tbsp honey in a small pan and brush over the top of the cake to give a sticky glaze, then leave to cool.
