Afternoon teas

The Afternoon teas at the Village Hall continue to be a great success. Many thanks to everyone that helps, for all their hard work. There will be an afternoon tea in October, on 1st, 15th and 29th from 2.30pm until 4.00pm. Yes three teas! Come along for Tea, Coffee, Cake and a chat with friends and neighbours and if anyone from Waterperry and Waterstock wants to join us they will be very welcome.

Film Night

The next Film Night will be 'Choral' on Friday 13th November 7.00 for 7.30 pm. Choral was written by Alan Bennett, and stars Ralph Fiennes. 'As WW1 rages on, the Choral Society in a small English town has lost most of its men to the army. The Choral's committee is determined to press ahead with new recruits. They engage a driven new chorus master, Dr Henry Guthrie – recently returned from a career in Germany. As conscription papers start to arrive, the community discovers that the best response to the war is to make music together. Entrance - cash only, Adults £5, under 18s £3. Bar open - cash or card

Quiz Night

There will be a Quiz Night on 20th November from 7-10pm. Details in the advert in the magazine

Autumn Tidy Up

Has been pushed back to the springtime so we can have a good Spring Clean.

Solar Panels

The Village Hall Solar Panels are installed and the system is up and running. We are now waiting for the agreement to be finalised so we can sell electricity into the grid but the hall is self-sufficient on electrical energy.

Future Events

For up to date information on all events at the Village Hall please access the website at www.holtonvillagehall.co.uk. The noticeboards on the green and at the Hall will also display forthcoming events together with the Hall Facebook page closer to time.

Holton News

Autumn is officially with us by which I mean meteorological autumn. The weather however has become cooler and wetter and lawns are beginning to go green again. There are some signs that the trees are going a bit over but its not marked yet. However, the birds sense that the seasons are changing and are gathering to depart. Indeed some may have already gone. The nights are drawing in and next month the clocks go back. Then before long it will be Christmas the cycle begins again.

Another successful event for the Village Hall was 'Spud Night'. This presented a chance to have a nice baked potato with a variety of fillings, have a social bevy and talk to neighbours and friends. A good number of people partook of this particular treat which makes it worth repeating so thanks to all those whose hard work made the night a success.

During the hot weather, I put out an old dog bowl of water for the nocturnal 'folk' that visit the garden. The water duly disappeared night after night, either from evaporation or from creatures drinking it. There were a few feathers about and hedgehog 'calling cards' but nothing big enough to tip it over which was reassuring. Then I found a very old tennis ball near the bowl where the vegetation had died, which led me to think of Penny a rescue dog that we used to look after when her owners were away. Penny had an unerring habit of finding balls in the garden when you didn't even know they were there and would eat anything even bread for the birds as she had been abandoned. She would present a really horrible ancient object to you for a game and would persist until you threw it for her. Unfortunately she got the doggy equivalent of Alzheimer's and died a few years ago. It was nice to have that memory of her though

You just get used to something and then they change it out of all recognition. We go into Oxford for a morning course to the north of the city centre once a week and use the 400 bus to Carfax, then walk up to Magdalen Street to get another bus to Polstead Rd. This way we try and stay green(ish). At the start of the new term we duly turned up at Thornhill to discover chaos. There were three buses going to Wheatley or Thame but nothing for the city centre. We paid our usual £2.50 for parking and were then told we were not eligible for our usual free ride into Oxford. We then noticed an announcement that from 17 Sept, the cost will go up to £3.00 but no mention of a free ride unless you used the hated Ringo App. Ringo has played us fast and loose in the past so we try not to use it. Eventually, one of the Wheatley buses came back into Thornhill having been held up in a big jam on the A40, by which time the place was rammed. Perhaps this will all settle down but at the moment it's not looking good for the new system whatever it is.

Thanks to whoever it was who chopped down a falling tree up from the Village Hall. It was looking dangerous and you had to go over the other side of the road to avoid it.

Take care.

Temporary Traffic Order 28 October – 30th October 2026

Oxfordshire County Council intends to make a temporary road closure on the road running southeast through Holton whilst works to install pressure monitoring points are carried out by M Group Water/Thames Water.

The area looks to be around the village green area. Access will be maintained for emergency service vehicles and for properties within the closed section of road where reasonably practicable. But it looks like one will not be able to drive straight through Holton at the village green area.

The next Parish Council Meeting will be held on **Monday 12th October 2026** starting at 7.15 pm in Holton Village Hall Committee Room.

Charity No. 273526

Holton & Waterperry WI

At our September 1st meeting Elaine, our president, welcomed Helen and Evin, both first responders from South Oxford Ambulance Service to give a talk about CPR and defibrillators. We learned the difference between a person having a cardiac arrest and a heart attack and what to do in each case. Members were given the opportunity to try doing CPR on the mannequins and also to use a defibrillator.

Our activities continue - a walk on the 15th September; a fused glass workshop on the 29th September using the bursary money we have been fortunate to receive; we will display the poppies again later in October and have another afternoon with printed ink blocks on the 16th November.

Our 6th October meeting is our birthday supper which this year will take the form of a wine tasting evening followed by cheese and biscuits.

'Cops & Robbers' usually provides a good fund of stories, but it's good to see the cops winning occasionally.

A robbery suspect made things easy for New York police when he walked into a police station to inquire about a friend who had been arrested – and stood beside his own 'wanted' poster on the wall. Awiey 'Chucky' Hernandez was spotted by an alert detective who noticed the resemblance and detained the suspect.

When police were called to the home of John Mitchell to investigate a break-in they took several sets of fingerprints, including those of Mr Mitchell in order to eliminate him from their enquiries. It later transpired that the prints of Mr Mitchell were already on file. He had been on the run for 3 years following a conviction for burglary.

Waterperry News

Waterperry Strength, Stability & Mobility

The new Strength, Stability & Mobility sessions at Waterperry have got off to a fantastic start. Led by Emma Fletcher of One8Two Fitness, the launch session introduced a range of enjoyable exercises focusing on strength, stretching, mobility and core stability.

There was a wonderfully positive and supportive atmosphere, with everyone joining in enthusiastically and enjoying the opportunity to exercise together. We are looking forward to continuing the programme over the coming weeks and welcoming more members of our community.

Special thanks to Waterperry Gardens for kindly providing the classroom, to South Oxfordshire District Council for giving the Parish Council a community grant for the sessions, and to everyone who came along and made the launch such a success.

*Cllr Dawn Leopard
Waterperry with Thomley Parish Council*

From Your Member of Parliament

In August, following a short and much needed break from politics for a family holiday to Austria, I returned to work refreshed and full of energy to start my Summer Tour. The tour was a chance to get out to villages in Henley & Thame that I hadn't managed to visit during the year.

I thoroughly enjoyed visiting all corners of the constituency, and am hugely grateful to everyone who came to meet with me in Stanton St John, Forest Hill, Warborough, Little Milton, Stoke Row, Checkendon, Kingston Blount, Sydenham, South Stoke and Whitchurch-on-Thames. We got through nearly sixty appointments and had very informative meetings with parish, district and county councillors in each location too.

I'm keen to continue listening and engaging - solving local issues where I can, and weighing in on national and international concerns on your behalf. I'm already planning where to go next year! In the meantime if you have any issues or concerns you wish to raise with me, please don't hesitate to get in touch by emailing: freddie.vanmierlo.mp@parliament.uk.

On my return to Westminster I flagged the concerns many residents and parish councils shared with me locally about Local Government Reorganisation by asking Louise Haigh, First Secretary of State to reconsider the new Greater Oxford unitary authority. The Government had shown a real disregard for rural Oxfordshire by incorporating villages like Warborough, Dorchester-on-Thames, and Shillingford into a Greater Oxford authority.

I welcomed the Government's decision last week to review plans for Local Government Reorganisation. There is a need for clarity on how long the review will take and for reassurance that it will be a proper rethink - to that end I am currently writing to Angela Raynor (the Secretary of State for Housing, Communities and Local Government) to ensure that residents' specific concerns about inclusion in the Greater Oxford Authority are on record if the proposals for a three unitary model return in future.

Member of Parliament for Henley & Thame Constituency

Waterstock News

After a Summer of record breaking temperatures, the mornings are beginning to have a distinctly Autumnal feel and we've even seen some wet stuff falling from the sky! An alarming number of trees around the village have fallen victim to the drought and also of ash dieback and will need to be felled, which is always sad to see. The change of seasons also brings with it a few changes to Waterstock's residents.

One of the long time stalwarts of the village, Keith Ashby, and his wife Amanda have moved to pastures new in Tackley and sent this farewell message:

"The Ashby's have finally left Waterstock having first arrived in the village in 1939 when Bob Ashby (my grandfather) his wife Francis and son Joe took up residence in what is now Holly Cottage. After serving in the army during the war Joe (Dad) married Majorie Meriman, the blacksmiths daughter from Tiddington in 1950. My sister Gillian was born in 1952 and myself in 1955. I have lived in Waterstock ever since. In 1984 Dad gave me a piece of land and I was able to build a house (The Old Timberyard) so as to continue living here. I married Amanda in 1993 and we raised our boys Sam (born 1995) and Oli (born 1998) in Waterstock. We have loved living in the village for so many years and would like to thank everyone for the support and friendship we have been shown. So many fond memories of the people and village events but we both feel it's time to move on to a new adventure. Please give a warm Waterstock welcome to Simon, Alison and their son Eric who by now should be happily settled in The Old Timberyard"

Keith's departure leaves Geoff and I as the last two of the older generation of Waterstock 'lifers' which is quite a sobering thought when you think who has been and gone before us. We will really miss them both and all that Keith has contributed to the village over the years and wish them well on their new adventure.

As well as new residents at The Old Timberyard, it's also hello and welcome to Alice who recently moved into the Nook. Alice is no stranger to the village, as her mother Katie also lived at The Nook (and also at Park Cottage and Tamworth House) for some years.

Not strictly speaking welcome to Waterstock but more 'Welcome to the World' to Janet and Stephen's new grandson Oliver Stephen born to their daughter Becca and her husband Greg in late August. Proud Granny Janet will provide further details and an update in her Parish news next month.

RIDE AND STRIDE:

As Malcolm will be back at work in the Middle East on the official Ride and Stride weekend, he undertook his own version the weekend before, managing to visit 14 churches rather than the planned 12. His total distance was 48.5 km and the ride took just over 3 1/2 hrs with church stops (visitors books signed where the churches were open!) and a pit stop at the Bruin Cafe in Wheatley for one of their amazing Scotch eggs!

The tally so far is just over £600 assuming all donations come in as pledged.

Malcolm reports: *"It was an absolutely lovely ride along what were mostly quiet country lanes, through beautiful countryside and villages. Once you get off the main roads it really is a very different place! I didn't realise that our part of Oxfordshire was quite so hilly, especially around Cuddesdon and Garsington! The views from St Mary's in Garsington across Oxford and around to the Chilterns were pretty spectacular. Given what the day before was like, I was very lucky with the weather and could really enjoy our breathtaking countryside!"*

A big thank you to Malcolm and also to Sini who helped organise sponsorship.

CPR:

Thanks to Gill many of us had the opportunity to update our CPR skills and familiarise ourselves with the defibrillator. Gill reports:

“Richard Shackleton a local First Responder for Oxfordshire Ambulance Service gave 2 training sessions in the church on CPR and using the village defibrillator. Both sessions were well attended and the feedback was that everyone found it very helpful. Hopefully a good majority of people in the village are now well equipped to handle the defibrillator in an emergency. If you haven’t already joined the village emergency response WhatsApp Group and would like to do so, please contact Sini. Richard does refresher training sessions once a month at Thame Tennis Club on Saturday mornings. If anyone feels they would like to attend, please let Gill know. Richard was most impressed with the Waterstock community spirit, something we should all be immensely proud of.”

Donations by participants over the two sessions totalled £217 for the Oxford Ambulance Service, for which Richard was extremely thankful. A big thank you to Gill for setting up these well attended and potentially life saving sessions.

PARISH MEETING NEWS:

During the recent Parish meeting the decision was made to draw up a Neighbourhood Plan in order to help protect our interests when we become, for better or worse, part of Greater Oxford in April 2028. Bas has volunteered to pull this together but I’m sure he will appreciate some help!

How to move forward with the plans to make the Church more user friendly as a social space was also discussed. It seems setting this project up as a charity would be advantageous in order to make the most of cheaper banking, available grants and other benefits. Caroline is starting the ball rolling by setting up a book exchange in the church. Any contributions to get library started would be most welcome. Joe Ashby’s cine films have been converted to mp4 and a showing is planned in the church in the Autumn, along with a display of photographs from village events over the years.

Meanwhile the working group has been gathering information on the memorials, windows, silver and furniture in the church which may be of interest to visitors.

A section of lathe and plaster fell from the chancel roof and some recently plastered cracks have reappeared, however there is no discernible movement of the most serious external cracks which have been monitored for the last seven years. Geoff and Michael are checking to see if the front pews can be moved to make it easier to erect a scaffolding tower to facilitate repair of the chancel ceiling.

As always I end my piece with a reminder that the annual British Legion Poppy Appeal will be launched at the end of October and I will be doing my usual rounds of the village in early November with the poppies and Gift Aid envelopes hoping for contributions. I’m always astounded by your generosity and I really hope this year will be no exception! Looking further ahead, one villager mentioned to me in early September how much they were looking forward to the traditional Christmas Eve Carol singing around the village and offered to host a ‘refreshment stop’.

More details nearer the time but do please come and sing with us or offer refreshments, it’s a great way to start Christmas!
