Advice to Exhibitors

ON ARRIVAL

Exhibitors should report to the Show Secretary's table to collect their entry cards. These should be placed name downward by their relevant exhibit.

If possible, name all exhibits. Check all exhibits before leaving, for correct class, number and name. STEWARDS will be present to help and advise exhibitors. No exhibit may be moved by anyone other than the owner, or a show steward, should the need arise.

PRESENTATION

An exhibit should be staged as attractively as possible. Quality and uniformity are a 'must' in any exhibit. In close competition arrangement may be the deciding factor. **The area around your exhibit must be left clean and dry and any unwanted material removed.**

VEGETABLES

Roots should be carefully washed. Beet, Carrots, Parsnips, Turnips and Swedes should have the leaves removed, leaving 3in/75mm of stalk. Cabbages/Cauliflowers should be trimmed to a 3in/75mm stalk. Lettuces should be staged with roots intact. Beetroot to be shown on a paper plate. No onion to be more than very lightly peeled in any class.

FLOWERS

Bikini vases are available without charge. In all cases where cut material is shown, all stems must reach the water in the receptacle. Flowers should be arranged as attractively as possible. To hold stems in place, vases can be packed with twigs or paper (not newspaper). Paper towels will be provided by the club for staging exhibits in bikini vases. Please could saucers be used under pots to prevent staining of the tablecloths.

1. 'Cultivar' is the international name for the word 'Variety', e.g. 'PEACE' is a Rose Cultivar, whereas Roses and Dahlias are kinds of flowers.
2. In Dahlia classes, pompoms must not exceed 2in/52mm in diameter.

FRUIT

All fruit exhibits must be shown on plates. The appearance of all fruit is enhanced by its natural bloom. Apples should certainly not be polished. Gooseberries, Raspberries, Strawberries and other soft fruit should be shown on the stalk. Currants should be shown in bunches as grown.

JUDGING

Unless otherwise stated judging for flowers, fruit and vegetables will be undertaken in accordance with the Royal Horticultural Society's Handbook, Revised 2016.

Points awarded: 1st Prize - 3 points; 2nd Prize - 2 points; 3rd Prize - 1 point.
