<p>What is the Grant for and who will benefit? (Give details of the specific project or item to be funded) The grant of £250, if made, is to go towards the cost of construction of exhibits and purchase of flowers for the Flower Festival, in aid of and being held in St Andrew's Church, on 9th 10th and 11th November, to commemorate the centenary of the end of the First World War. The breakdown is £2000 for the flowers and £500 for the mechanical requirements for the displays eg. Wood, metal, oasis, ribbon and other necessary sundries.</p> <p>How will the people of Hamble benefit from the grant? The Festival has been widely advertised with express hope of attracting people from the village and visitors to see the displays and provide a focus for remembrance and reflection of this significant time in history. (It is hoped visitors to the festival will use the rest of their time to look around Hamble.) To our knowledge this is the most significant event to mark the centenary on the Southern Parishes of the Pennisular. A Festival held in the church in 2009 attracted over 1050 people, however this festival was held in the summer over a bank holiday weekend and many of the exhibits were outside. The numbers for the November festival, it is hoped, will be between 550 and 750. The profits from the event, however, will be split, as requested by the PCC of St. Andrew's Church, between the work and witness of St. Andrew's Church (70%) and The Royal British Legion (30%)</p>
