HARBY, THORNEY & WIGSLEY NEWSLETTER

## Harby Bowls Club

Sunday April 24<sup>th</sup> Time 3 00pm

### Commemorative bench at Harby and District Bowls Club in remembrance of Alice Stubbs

In May 2015 Alice Stubbs passed away and donations received following the funeral at the bequest of Alice were to go towards a seat at the Bowling Green for others to sit and enjoy bowls as she and her late husband Bob did.

Bob and Alice Stubbs lived in Harby for many years and were both active bowls club members. They both enjoyed a game of bowls and Alice was the instigator of tea making and getting everyone together for a chat after the end of the game. For the bowls drives held twice a year Alice always made a great big trifle and delicious flan which was well received after a few ends of bowls. Alice even came along to watch the bowls when she wasn't able to play any longer and she still enjoyed being involved with the club

The family have commissioned a bench from the donations received to be presented to the Bowls Club and would be very pleased to see you if you are able to come along on the 24th April to share the celebration of Alice and Bobs life and ties with the village and Bowls Club.

Refreshments will be provided.

The green will be open for those who wish to have a practice roll up on Sunday April 24<sup>th</sup> at 2 00 pm and again on Wednesday April 27<sup>th</sup> at 6-00pm. We would welcome a little support from the village at the bowls club.

---

## Issue No. 201

## April 2016

Editor: Ann Williams - Owl Cottage, Wigsley Road, Harby, Newark. NG23 7EF T: 703766 E: ann.owl@btinternet.com

### **HOGGY'S CHARITY BALL 27TH FEBRUARY 2016 - Steve Hogg**

On 27th February 100 generous people turned up to the inaugural Hoggy's Charity Ball. The idea behind this was to raise money for Children With Cancer, a fantastic charity that is trying to eradicate child cancer and support families who are affected by this terrible disease. This year I have decided to run the London Marathon and raise money and this is the charity I have chosen to raise money for. The ball was a huge success, hopefully enjoyed by all, raising a grand total of £2790. So many people helped make the evening a success and although I hopefully thanked everyone on the night alcohol was starting to play its evil role in proceedings at that time so I may have missed people but again thank you all. Everyone who turned up came to party and give generously, thank you. Particular thanks to my long suffering wife who organised helpers, sorted out all prizes and generally did all the little jobs no one sees but are absolutely vital.

Although this has contributed massively to my fund raising I am still on the look out for more money. Anyone who sponsors me can guess my time to finish the run. The nearest to my time will win a luxury hamper so feel free to stop me in the street or go to [virginmoneygiving.com/steve-hogg](http://virginmoneygiving.com/steve-hogg).

Anyone who has followed my training on Facebook can see I am putting in the miles in an attempt to get a good time and the continued support and generosity of so many people has motivated me to get up at 5 in the morning to do the long runs, even if it is wearing out my little legs.

Thank You

## NEWS FROM QEP – Jeremy Bingham

This has been a tremendous half term; the children have worked really hard and are making good progress in spite of the winter bugs that at times have devastated both the pupils and staff!

I'm sure the keen footballers will agree that the trip to see Manchester United play in the UEFA cup knock out (and take a significant win) was a real highlight and memories will be cherished for years to come. Thank you Mr Haywood for organising the event and to all those parents who helped on the evening!

Our 2 day residential to Hathersage (with North Clifton Primary accompanying us) has been another highlight. The centre makes a super base from which to explore the Derbyshire countryside and the children took part in orienteering and pond dipping on day one, followed by a train ride to Padley. Here we learnt about King Henry the VIII's persecution of the Catholics. A steep walk up to a millstone mine reminded us of how tough the lives of stone workers were. A new development this year saw the children visiting the Blue John mine.

Saint Michael's Mount Outdoor Education Centre is run by Nottinghamshire County Council and there is a 2 bedroom cottage next to the centre that can be hired by the general public. If you fancy a week away this makes lovely comfortable accommodation (and has just been refurbished) as Mr Bingham can vouch for, and booking can be done through Gary the centre manager at;

[stmichaels@nottscc.gov.uk](mailto:stmichaels@nottscc.gov.uk)  
telephone: 01433 650 309

We're really grateful to Mrs Fearn and Mr Lee (North Clifton) for helping out with the trip, but special thanks must go to Mrs Lister who went on the Monday with East Markham and stayed the whole week!

## HATHERSAGE RESIDENTIAL TRIP -2016

Years 3,4 & 5 Queen Eleanor and Years 3 & 4 from North Clifton have just returned from a residential visit to Hathersage. They were accompanied on the visit by Ms Lister, Mrs Fearn (QEP) and Mr Christopher (North Clifton). The weather was not that kind to use the first day but picked up for the rest of the time we were there. The children were kept busy with a village study, a visit to Padley Chapel, a train ride to Grindleford, a 7 mile walk taking in the sights and history of a gritstone quarry and a visit to the Blue John Cavern. This was all topped off with a meal out on the last evening to the Poolside cafe. The children all had a great time and have wonderful memories of their time away.

## Herrick TeK

**Windows 10 is now with us and can be downloaded for free to upgrade from Windows 7 SP1 or Windows 8.1. I can offer support and advice to help you get started if you need it.**

**Or having any other problems with your computer hardware or software?**

**Do you need some help to learn how to use your computer or tablet? Problems with setting them up, then give me a call.**

**Tip: Windows 10 is only a free upgrade for it's first year, so that is until 28 July 2016**

**I can help with a whole range of "Tek" issues!**

**Please Call or Email me (Jason) and let me see what I can do for you.**

## Harby Parish Council

### Meeting Minutes

Below is a summary of recent minutes. For full minutes please see the notice board or go to [www.hugofox.com/community/harby-parish-council-7782/about-us](http://www.hugofox.com/community/harby-parish-council-7782/about-us)

### Our New Website

We are proud to have launched our new Council and Community website, which will make it easier to access parish information, including on phones and tablets. I would be grateful for any feedback as we continue to develop the site.

There are some great features: You can sign up to **e-mail alerts** for the latest **planning applications**, events and news in the parish. Also, there is a **planning tracker** which clearly shows the current planning applications in the village and their status.

We are looking at securing a simpler web address but at the moment it can be found at:

[www.hugofox.com/community/harby-parish-council-7782/about-us](http://www.hugofox.com/community/harby-parish-council-7782/about-us)

### Resignation of Richard Croft

We would like to thank Richard for all his hard work and dedication to the Council. He has been involved with the Council for nearly 20 years and his expertise, enthusiasm and dedication will be missed.

### Clean for the Queen

\*\*\*Date for your diary\*\*\* **Saturday 17<sup>th</sup> April 11am Harby Village Hall Car Park\*\*\***

We are entering the Best Kept Village this year, and we invite all community organisations and residents to get involved. Please help us on the first village tidy on Sat 17<sup>th</sup> April to make the village an even better place to live, with FREE refreshments provided afterwards.

### Celebrating the Queen's 90<sup>th</sup> Birthday

The Council will work with the Playing Field Committee to celebrate The Queen's official birthday on Saturday 11<sup>th</sup> June. The initial plans are for a Harby Barby with more information to follow.

### Police Update

Our new PCSO Hyde gave a written update (as she was busy with St Patrick's day incidents!). There have been no reported crimes in Harby or the surrounding parishes for the last month. However there have been a number of thefts of motor vehicles and from motor vehicles particularly tools from vans. Her contact details are ☎ 101 – Ext: 809 7056.

📞 07894 617567. ✉ Katherine.Hyde4885@nottinghamshire.pnn.police.uk

### Better Broadband Petition

The Council collected signatures on a petition which County Cllr Dobson presented at the County Council and they are now looking to provide a date as to when the Parish can expect to finally be able to access Superfast Broadband.

### Grit Bins

The grit has been broken up and further bags of salt added into the bins. They are there for the community to use on the public footpaths and roads, so if we have any icy weather feel free to get stuck in!

### Planning Applications Update:

Householder application for carport at Lavender Cottage, High Street, Harby. 16/00270/FUL. Parish council support the application. Pending decision by the District Council.

---

The next Ordinary Meeting and Annual Parish Council Meeting is Thursday 19<sup>th</sup> May in the Village Hall Committee Room. See the notice board or online nearer the time for confirmation and details.

## **HARBY HISTORY GROUP – Louise Herrick 703662**

Our new year kicked off in January with a DVD entitled “The Lincoln Cathedral Story” which we all watched together. It was a very informative DVD, telling the history of the cathedral with a few short interviews from people who worked there. It also included CGI to bring to life how Lincoln and the cathedral would have looked like in days gone by which really brought the story telling to life.

In February, Chris Lester from the Society for Lincolnshire History and Archaeology came to talk to us about the important work their industrial heritage team do with regard to water pumps. His talk with slides was entitled “The Supply of Water to Lincolnshire Country Houses”. It covered the different ways of supplying water to country houses in the days before homes in general had access to mains water. He showed diagrams and photos of water wheels, ram pumps, hand pumps, horse engine pumps and more and explained how these worked. He told us where these examples could be found and also told us about one in particular that he couldn’t divulge the location of as it was unguarded and the society was worried that it could be looted for scrap metal. Sadly, because of this, they can’t even apply to get it protected as then its whereabouts would be made public knowledge and put it in danger.

Our next meeting is on 30 March. Returning guest speaker, Charles Parker, will give a talk and slide show on “The Development of Humberside Airport”. He will have books available to purchase on the night.

The April, May and June meetings will all be trips. The cost to those attending will be a donation. The trips are as follows:-

27 April –Laxton 3-field system. Film show and walking tour including the site of the ancient castle. If the weather is poor then they will ensure there is an alternative activity for us to enjoy.

25 May-Darlington Manor House. Walk and talk round the ancient castle site, tour of the house followed by talk, tea and biscuits.

29 June-Lincoln Stonebow and Guildhall. Tour and mayoral regalia.

Please let me know which trips you’d like to attend by phoning.

From the September meeting, the cost to attend will rise from £1 to £2 per person, due to increasing costs of speakers and the need to pay for the hall.

Meetings are on the last Wednesday of the month in the village hall lounge and unless specified start at 7:30 pm. £1 entry for the March meeting and £2 from September. Everyone is welcome. Please phone me if you want more information or even just a bit of encouragement to attend. New members welcome on a regular or casual basis.

---

## **NEWS FROM THORNEY – Anne Massey – 01522 703120**

### **THORNEY, HARBY, WIGSLEY VOLUNTARY CAR SCHEME**

At the moment, all of the voluntary drivers on our ‘books’ live in Thorney, so we are looking for some volunteers from Harby and Wigsley. It’s not a regular commitment at all. Someone asks for a lift and the co-ordinator contacts drivers until one is found!

PLEASE VOLUNTEER! Contact Anne Massey for further details – [team.massey@btinternet.com](mailto:team.massey@btinternet.com)

### **FOOD BANK**

If you are able to donate a little something to make life more bearable for those in need, please bring it along to church. Our next collection will be taken in April, and there will be another in July, so we are always collecting.

We need tins and packets of food, hygiene and household items like toilet rolls, shampoo, microwaveable puddings, tinned fruit and sugar. Please do what you can. These items go to the Newark Foodbank. Thanks you

We will be holding an event in June to celebrate the Queen’s birthday, which we hope will be similar to our Jubilee event. More details to follow, but if you’d like to help in any way, please let Anne Massey or Anna Dennison know. Thank you.

## GO AGAIN

Derrick Watson from Spalford has attended most practice sessions since his recovery programme has been successful. Well done Val (ex nurse), for bringing Derrick back to ringing form, following his heart attack.

Between practice sessions on Monday evenings, we have, since Christmas had a little maintenance to do on two stays on the smaller bells. The treble particularly has been very 'fine set' since installation, also no2 has been adjusted in a similar manner, that is to allow the bells to go over the point of balance a little further, thus making it easier to set (at the hand stroke). Thank you, Philip for your invaluable assistance in this exercise.

If you can't follow the above paragraph, come and join us, you will find it very interesting. Learning 'the ins and outs' and watching the Bowls Club Members casually enjoying the summer evenings, (free advert) on your way home. It all helps to maintain Village life.

Future ringing events hopefully, to be arranged,, are the Queen's birthday on 21st April, St George's day on 23<sup>rd</sup> April also the Queens official birthday to be celebrated from 10<sup>th</sup> - 12<sup>th</sup> June and a local wedding, to take place on 25th June.

"Set Next time"

Will Turner

### RAISE YOUR GLASS TO CELEBRATE THE NEW HARBY BREWSTORE

The Harby Brewstore at the Bottle and Glass, had its grand opening at the on Friday 25th March, where visitors tasted our new beers, enjoyed a welcome cocktail, nibbles and entered into a prize draw where a lucky winner won our Harby Brewstore hamper filled with goodies from the Brewstore.

With microbreweries on the increase and Britain's appetite for craft beers showing no sign of abating we didn't want to miss out, hence our new Brewstore.

Real ale fans can sip and savour such delights as Ashworth Ale, Lifford Best Bitter & Queen Eleanor Pale Ale, with the brewery capable of producing 16 casks of ale at a time there is more than enough for our craft ale enthusiasts! The Harby Brewstore will also supply the Wig & Mitre in Lincoln and Caunton Beck, near Newark.

As well as the microbrewery there will be a store selling wine, bottled beers brewed on site, gifts and cards together with general provisions as you would expect in a village store.

**Opening Hours: Everyday (except Christmas Day)**

We just wanted to let you know that it has been decided that the Harby Village Show will not take place in 2016. Watch this space as it may return in one form or other in the future.

Once again thanks very much to everyone who has volunteered at the last two shows. It could not have happened without you.

## THORNEY SPOTTINGS (11) – Janet Collins

The continuing mild weather has had its benefits in several ways for bird spotters. Apart from it being cheaper to feed them because there is usually plenty of food left in the countryside, it also means you get a good look at the changing condition and colouring of the birds that do frequent your garden while the trees and bushes are still bare.

It meant that many animals were building themselves up early for the breeding season. Male birds, in particular, put on their best display of colour in order to attract the females. This magnificent show of feather colourings is an obvious sign of peak condition. It soon becomes apparent, when doing your spotting, which birds have had access to ample supplies of quality food sources. They are no different to humans, in this respect.

Mild conditions have also induced early breeding. Dick Padley had robins nesting close to the house at the beginning of March, so was able to do some spotting in the warmth. The rooks along the edge of Crow Wood were feeding young in mid-March, female pheasants were looking for likely nesting areas along the garden hedge and surrounding woodland areas, and the woodpeckers were hammering away in there, too.

Heightened activity has meant a greater number of birds visiting the area and our gardens. Very early in March a red kite gave a fantastic flying display in the sky over our garden and the surrounding properties. (Did anybody else spot it?) It was flying so low, at times, that the red colour in its forked tail was clearly visible. Spotted at such close quarters, you are entitled to refer to it as a red-tailed kite! Much of its undercarriage is a similar chestnut red colour, but this is not so obvious at its usual higher altitude, although the deeply forked tail with its effortless twisting movement is a giveaway characteristic. You may remember that Colin and Josie had a similar visitor last year. This year Colin was lucky enough to take a photograph of a tawny owl sitting on a post in the garden. Unfortunately, it was his mobile phone camera, so the quality was not clear enough to copy into this article. He is going to try to be more organized with a suitable camera for next time!

The feeders have attracted the usual chaffinches, blue tits, great tits and nuthatches. These were joined in early March by a few goldfinches, but not as many as usual. Then, suddenly, in mid-March, their numbers grew, quickly followed by long-tailed tits, goldfinches, siskins and several red polls. Of course, the usual ground feeders have been there to pick up the droppings. Blackbirds, robins, dunnocks, pigeons, and even house sparrows, mallard and a rook have all joined the party. It's been quite hectic at times!

March also saw the end of hibernation for toads that breed in the local ponds. Unfortunately, they are still fairly useless at crossing the road, which is why their arrival is usually spotted so easily. The grey squirrels are not much better. I suppose it is because they are still in 'waking up' mode. Of course, this early start bodes well for the rest of the year, with plenty of opportunity for the raising of several broods. And now the leaves are beginning to break in the local hawthorn hedgerows the birds will soon be whizzing across the roads from dawn to dusk. That's when they become as accident-prone as the toads and squirrels. Ah, well, c'est la vie!

### **11/06/2016 -SAVE THE DATE-HARBY BARBY IS BACK**

On 11th June there will be a return of the Harby Barby on the playing field to celebrate the Queen's 90th Birthday. Full details are not yet finalised but a fun time is guaranteed so put the date in your diary.

### Whisby Tip closed on 31<sup>st</sup> March

The nearest Nottinghamshire recycling facility is on Brunel Drive, Newark,  
NG24 2EG

#### Opening Times

January and February: 8am to 4pm

March: 8am to 6pm

April to September: 8am to 8pm

October: 8am to 6pm

November and December: 8am to 4pm

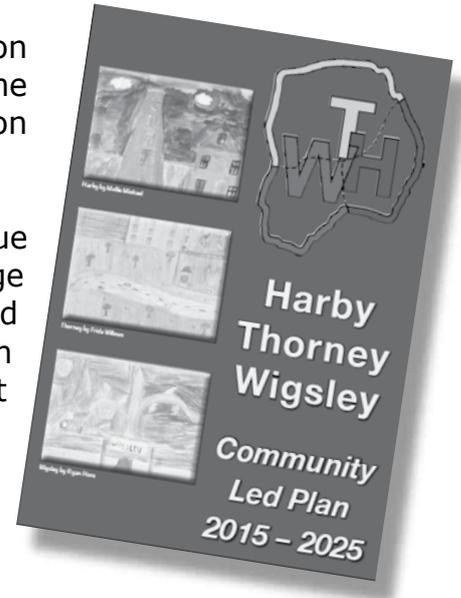

# Harby Thorney Wigsley Community Led Plan

## What's next...

Since publishing your Community Led Plan last June, work on the issues you felt were important has begun with some already resolved, most notably alleviating the flooding on Wigsley Old Airfield.

The Steering Group behind the Community Led Plan will continue in a monitoring role liaising with individual parishes and village groups as they work their way through the issues, ideas and actions set out in the Plan. We're particularly keen to maintain the wonderful collaboration between the three villages that emerged during the preparation of the Plan.

If you've moved to Harby, Thorney or Wigsley since June 2015 and would like a copy of the Plan, let us know and we'll get one to you.

Our **Annual General Meeting** will be held on **Monday 9th May 2016** in Harby Village Hall and you're all welcome to come along and learn more about what we'll be doing. We rely on the support of volunteers from each of the three villages and currently we have 2 vacancies for Wigsley. If you're interested in getting involved in supporting your community and can commit to two or three meetings a year, this might be for you.

We look forward to seeing you at our next meeting.

Stephen Richardson  
Chairman

**NEW!**

### A3 Document Printing & Laminating Service

We're delighted to bring you a new document printing & laminating service after purchasing a A3 inkjet printer located in Harby Village Hall. We've also purchased a portable projector which is available for hire by village groups and residents of Harby, Thorney & Wigsley. Want to know more? Speak to your village contact.

Print, copy and laminate documents up to A3 size from only 5p per copy.

Available free of charge to village groups and from £5 for residents. A deposit will be required on hire.
