Clerk Jocelyn Jenkins

2431	1.1	Apologies for Absence HCCllr Jackie Porter, Cllr Andrew Porteous.	Closed
2432	1.2	Any Declarations of Interest to be declared/dispensations agreed . Cllr Besant-Gore – Gratton Trust (NPI), Cllr Rob Parker – Victoria Hall (NPI), land at Brightlands (PI).	Closed
2433	1.3	Minutes of the meeting of 8 th October 2025 were agreed and signed by the Chairman.	Closed
	2	Reports – the meeting adjourned during reports.	
	2.1	The Public: Chris Hughes, Beavers attended the meeting to request permission for the Beavers to	
		plant a tree on the Gratton to commemorate 40 years of the Beavers. It was agreed to allow the tree planting and it was suggested that bulbs could be planted at the same time.	
	2.2	Report from HCCIIr Jackie Porter: HCCIIr Porter was unable to attend the meeting but provided a written report (Appendix 1) which drew attention to the Winchester Community Governance Review, the TRO process for Winchester Avenue/Andover Road and consultations on HCC Transport Policy for School Transport and post 16 Transport.	
	2.3	Report from WCCIIr Caroline Horrill: WCCIIr Horrill noted that food waste collections will start in Wonston Parish in February 2026. Micheldever Station was not selected in the first tranche of twelve new towns but further new towns are likely to follow the twelve already selected. In addition, Popham is being promoted by Basingstoke and Deane for 4200 homes and an industrial park. This will have infrastructure implications for the Winchester District. In respect of the Winchester Local Plan, the Planning Inspector has commented with	
		significant modifications to be made. Brown field ahead of green phasing will be removed and the plan dates are to go back to 2020-2040. The proposed Sir John Moore barracks development (W2), of 900 homes, is thought by the Inspector not to be deliverable in the short term and this is likely to lead to pressure and allocation increases for other sites. There will be a further consultation on the Plan following the modifications. The Community Governance Review for Winchester is continuing and will mean the parishing of wards and the protection of the mayoralty. The suggestion of including some	
	0.4	parishes within the City is not supported by the District Councillors. Consultation events are taking place and WCCIIr Horrill will supply the details.	
	2.4	Report from WCCIIr Stephen Godfrey: WCCIIr Godfrey noted that the next Local Plan review has started and there has been a new Call for Sites which needs to find land for another 4500 homes. The Government are making plans for financial settlements. Winchester had been cautious as a £4.5 million reduction in income was expected due to changes in business rates but it now seems that the settlement will include a support grant for five years (although this will be only two for WCC due to LGR). The support grant will cover all the anticipated losses and allow for ongoing balanced budgets. A consultation is taking place on the TRO for Andover Road and Kings Barton. This will see the closure of Andover Road, and some adjacent roads, and traffic then being routed through Kings Barton. The consultation runs until the end of November and the TRO will be available for implementation in the Summer but is not likely to be used until at least the end of the year. WCCIIr Godfrey noted that he considered that some restoration work should be undertaken on the Sutton Scotney War Memorial. The meeting resumed after reports.
