

## MESSAGE FROM THE MAYOR OF BASINGSTOKE & DEANE COUNCILLOR DIANE TAYLOR

I have always noted that humans are great adjusters. Whenever there is a difficult and significant change in our lives, perhaps a death or illness or relationship break-up, we can feel that we will never get used to it... but somehow, with time, we always manage to adjust to our 'new normal' and get on with life in its different format.

If you had told me last year that in Spring 2020 I would be confined to my home for weeks on end, working forever at the computer, not meeting people face-to-face, queueing to get into food shops, unable to attend a single public meeting or event, I would have been horrified. How can I live like that? Guess what – I can! Like everyone who is either completely isolated for health reasons or, at the other end of the scale, working all hours to save the lives of dangerously ill people, somehow we humans adjust and find a way to get on with life.

One of the final public duties of my Mayoral year would have been to lead the celebrations of the 75th Anniversary of VE Day on Friday 8th May. Needless to say, there will be no public event to mark this significant occasion – just a video of me at the War Memorial at 10am on that morning which will go out on social media.

However, can I encourage everyone to find a way – perhaps in the afternoon at about 3pm – to raise a glass or a tea cup in your own homes in celebration of a victory that brought us the great life that we are privileged to lead today.

The resilience, courage and determination of this nation during World War II astounds me. Let's celebrate the outcome of a war that logically we should have lost – but, with our great allies, we won! And what's more, we will win the Coronavirus war too!

In the meantime, please stay safe by staying at home unless it's for an essential journey as outlined by the government and help to reduce the spread of COVID-19.

If you are a vulnerable resident self-isolating due to an increased risk of illness, and have no friends or family nearby, you can register for support to access food supplies and collection of prescriptions. Call the Coronavirus Hampshire Helpline on 0333 370 4000, available seven days a week, from 9am to 5pm or visit [www.basingstoke.gov.uk/covid-19-community-hub](http://www.basingstoke.gov.uk/covid-19-community-hub) for more information.

# Cliddesden

## Neighbourhood Plan

**Another step taken!**

In March we sent a **CONSULTATION PAPER** to 33 interested parties (businesses, community groups and organisations) operating in the village asking for their views on what issues they thought should be addressed in Cliddesden. A total of 6 completed and returned the questionnaire representing 18% of the groups targeted, as follows:

**1 x Landowner/business**

**1 x Business**

**4 x Community groups**

The **POSITION STATEMENT** is also now on the website.

You can access the documents on our website by clicking on the links below:

**Website blog post:**

<https://cliddesdennp.wixsite.com/cliddesdennp>

**Website document (PDF):**

<https://cliddesdennp.wixsite.com/cliddesdennp/other-documents>

**Steering team:**

**Brian Karley, Mark Gifford, Su Turner, Alan Tyler, David Brown & Alison Mosson**

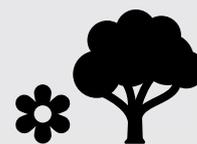

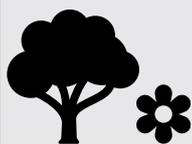

### **Cliddesden Chat**

With almost 100 members in its first month, come and join "Cliddesden Chat" - Cliddesden's new online community at [facebook.com/groups/cliddesdenchat](https://facebook.com/groups/cliddesdenchat). Set up for the benefit of all residents of Cliddesden, past and present, in this time of crisis and uncertainty, this group is helping people to remain connected, share news, as well as helping us all feel a bit less lonely, particularly the elderly and vulnerable

# Cliddesden, Farleigh Wallop & Ellisfield Horticultural Society

## The three villages Gardening Club

### Hello from Claire!

Ho hum – not what we expected for Spring 2020!

I hope you are all keeping well, staying at home as much as possible.

As I write this the lockdown is in full force, children have been home for 2 weeks already, and so much has changed, so quickly.

Living in our rural area can sometimes be challenging – the snow cuts us off, public transport is few and far between, and getting a takeaway is a 'go-and-get' away – however at this present time we should feel blessed that we have open spaces, gardens, and beautiful countryside walks, where we can take our daily exercise in safety.

Ironically, we've also had near perfect weather this spring for the daffodils and tulips we would have displayed at the Spring Show. TYPICAL!

### What's NOT been happening?

#### Speaker

Thursday 26th March – Cliddesden Millennium Hall

Fuchsias my Way – Derek Dexter

#### Spring Show

Sunday April 5th - Cliddesden MVH

#### Plant Sale

Sunday 10th May 1pm to 3:30pm – Cliddesden Millennium Hall

#### Speaker

Thursday 14th May 7:45pm Cliddesden Millennium Hall

Garden Photography - Andy Small

### THREE VILLAGES GARDEN COMPETITION

Monday 22nd June

I'm afraid that Bridget Boland had nothing to say about lockdown and viruses – so this month's gems of wisdom are from the heart.

While all our shows and speakers may have been cancelled, and I sincerely hope that we will be able to return to normal service for July and August, there are many positive things to take on board at this time.

**Stand in your garden and listen:** the traffic drone from the motorway is all but gone, and the birds are singing clearer and louder

**Look up at the sky:** it seems bluer and clearer, there are so few planes flying back and forth

**Breathe deeply:** the air is fresher, crisper and cleaner

**RELAX:** we have nowhere we can go in a hurry, so forward plan, accept you'll have to wait, and stay calm

**Connect with your neighbours:** share a minute, plants, seeds, advice, a friendly 'hello'. Rather than spending money at the garden centre or shops – what can you share? Your soil will be the same as your neighbours, so the same plants should thrive in the soil type.

**Appreciate:** all the wonderful things that we DO have, our family, friends, neighbours, the place that we live, and the beauty of the world we live in. In may not be quite the same when things return to normal – however it is special nonetheless.

### What will be happening!

Lots of gardening, catching up on projects, finally defeating the ground elder and buttercups, and enjoying the time to enjoy the garden.

Stay safe everyone, don't be lonely – there is always someone who will answer the phone.

Happy gardening.  
Claire

# Stay Home Grocery Boxes for Basingstoke

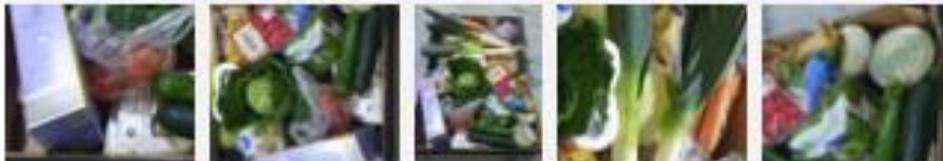

## Stay Safe, Stay Well and Stay Home

If you're at risk, self isolating or a key worker, you can order a box of groceries from our brand new service.

Your box will be delivered to your door.

**£35**

**AVAILABLE TO ORDER NOW.** Fresh vegetables, salad, fridge and cupboard essentials for two people for around seven days.

**£15**

**FROM EARLY MAY.** For one person for about seven days. Interested? Email us [helpers@cov19bas.org.uk](mailto:helpers@cov19bas.org.uk) or call us and we'll let you know when it's ready.

**Find out more, register and order at [cov19bas.org.uk](http://cov19bas.org.uk) or phone 01256 263210**

Delivered to your door within 48 hours

Includes milk, eggs, bread, breakfast option, dry goods (pasta, rice etc.)

An example box contents: <https://www.youtube.com/watch?v=VP53aD1T-7g&feature=youtu.be>

A typical box will include fridge and cupboard essentials for easy, quick meals. For example: milk, bread, tea, tinned soup and meats, fresh vegetables and fruit

Every week, we select foods from each of the food groups to create a box which is nutritionally balanced. Our range is based on the UK Government's Eatwell guide

## Who are we?

We're a new Community Interest Company called BasLight, approved by BDBC. We're a group of unpaid volunteers who have stepped up to bring together the people of Basingstoke and the surrounding towns and villages a 'not for profit' home delivery service.

The service is strategically important because it can scale to over 3000 home deliveries every week. Orders are delivered in 48 hours and there are no issues with slots.

It has been wonderful to see how communities have courageously rallied in support of each other. We will do whatever we can to support the residents of Basingstoke and the surrounding towns and villages.

## PARISH COUNCIL MEETINGS

Local Government legislation has arguably been behind the times but has stepped up to allow for remote Parish Council meetings. Up to 3rd April 2020, only meetings in person have been lawful as from the creation of Parish Councils in England by the reforming Local Government Act of 1894. This situation has been updated (temporarily) by regulation under the Coronavirus Act 2020.

The Parish Council AGM will be held as scheduled on Tuesday 5th May 7.30pm

The meeting will be held remotely and everyone is welcome to join. If you have a query or matter to raise, or wish to request a link to join the meeting, please email [alanbtyler19@btinternet.com](mailto:alanbtyler19@btinternet.com) or [clerk.cliddesden@parish.hants.gov.uk](mailto:clerk.cliddesden@parish.hants.gov.uk)

**The Annual Parish Assembly** is postponed indefinitely.

 GOV.UK

Update on GOV.UK.

[Councils given new powers to hold public meetings remotely](#)

*Annex A to Letter to Local Councils from Paul Rowsell CBE, Head of the Governance Reform and Democracy Unit, Ministry of Housing, Communities and Local Government*

*6th April 2020*

### **The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020**

**These Regulations enable all local authority meetings to be held remotely, including allowing remote access by members of the public.**

The Regulations are drafted very broadly, applying to different types of local authorities, and to different categories of meetings including annual meetings, cabinet and committee meetings. Local authorities can decide not to hold the legally prescribed annual meeting.

**Where meetings are held, local authorities have the flexibility to hold them at any time of day and on any day, to alter how frequently they are held and to move or cancel them without further notice.** Where a local authority does not hold an annual meeting (AGM), current appointments will continue until the next annual meeting of the authority or when the local authority determines.

Meetings may be held remotely including via telephone conferencing, video conferencing, live webchat and live streaming. Members of the public and press may also access meetings remotely.

The Regulations are not prescriptive about how local authorities may facilitate remote meetings or related matters such as voting and access to documents by members and the public. Different solutions will be appropriate in different localities and local authorities may make appropriate Standing Orders.

**The Regulations came into force on 4 April 2020 and apply to meetings taking place before 7th May 2021.** We are able to legislate to bring forward this date if medical and scientific advice leads to the relaxation of social distancing rules.

You can find the regulations and supporting documents here on the legislation.gov website <http://www.legislation.gov.uk/uksi/2020/392/contents/made>

## LOCAL SUPPORT

The Parish Council would like to thank everyone who is volunteering to support those who need to self isolate.

For those who have contacted the Parish Council, we may not have called on you as yet but we know you are ready to help when necessary.

We don't want anyone in the Parish to be without the support they need, so

- if you need some essential shopping – call us
- if you need medicines collected – call us
- if you need someone to talk to – call us

Keep safe and well  
Your Parish Council

Co-ordinator Hazel Metz  
Tel 07866 204 390

20/00390/FUL (pending) Land Adjoining 1 Millars Cottages, Station Road. Erection of one 3-bedroomed dwelling with car parking and cycle shed and rearrangement of parking.

Basingstoke  
and Deane

To subscribe to regular email updates from BDBC visit <https://www.basingstoke.gov.uk/signup>

<https://www.basingstoke.gov.uk/press-releases>

### TEMPORARY CHANGES TO WASTE COLLECTIONS

From 20 April, BDBC, working with Serco, will collect grey waste bins fortnightly instead of weekly. Green recycling bin collections will take place as usual and waste bins will be emptied on the alternate week. The day of the week will not change.

The service will be monitored and reviewed regularly to respond to changes in government guidance as they emerge.

Residents who receive an assisted collection, as they need help to put out their own bins and do not have anyone who can do this for them, will continue to get this support from the bin crews. The clinical waste service will also continue as normal for those customers who are registered to use this service.

Households with smaller 140 litre waste bins will be able to leave out two extra sacks. Those households with larger 240 litre waste bins can only fill their bin as normal and no additional sacks will be taken. If you are a large family you can apply for a larger or additional bin if you do not already have one.

### CAR PARKS CLOSED AT BASINGSTOKE PARKS (9th April)

The car parks at Eastrop Park, Crabtree Plantation and the Lime Pits are all being closed after people were using the open spaces to gather in groups during the good weather.

### FINANCIAL SUPPORT FOR RESIDENTS, COMMUNITIES AND LOCAL BUSINESSES (21st April)

All households across the borough automatically resume Council Tax payments from June 2020 for 10 months.

Council tax bills have been reduced by up to £200 for working-age residents eligible for the Council Tax Reduction Scheme.

The Council has awarded £200,000 to Basingstoke Voluntary Action, enabling it to provide grants to Community Groups so that they can provide support and distribute essential supplies to residents unable to leave their homes.

Following the announcement of financial support by Government, the Council is also supporting eligible local businesses through a combination of business rates relief and grants.

Leisure, retail and hospitality businesses, as well as early years providers, estate agents, letting agencies and bingo halls, will not pay business rates in the 2020/21 financial year.

Grants of £10,000 and £25,000 have also been made accessible to an estimated 1,600 eligible local businesses.

To further boost the available financial support for businesses, the Council has made a three-month rent and service charge holiday available for all 344 small businesses in council-owned properties with annual rents of up to £50,000.

# COUNTRY WATCH

I thought I had best use my time at home constructively and provide you all with an update from a Country Watch & Neighbourhood Watch perspective. PC Reid will have given us an update on crimes within the area, but I will just reiterate that there has been a pattern of non-dwelling (i.e. shed) burglaries. Thieves have been targeting power tools, quad bikes and plant machinery. Please do make sure your sheds and out buildings are kept secure when not in use and consider registering your items at [www.immobilise.com](http://www.immobilise.com) it's free to do so. Nationally there has also been an increase in both online and face to face scams. Criminals have been quick to try to cash in on fears surrounding COVID-19 and using this as a lure to try to part you from your money. The advice is to not respond to any unsolicited emails or texts and never click on the links contained within them. Criminals have also been using the current situation as cover to conduct distraction burglaries. They turn up on the doorstep offering home testing, to collect shopping or offering advice and once inside the property keep you distracted while an accomplice helps themselves to your valuables. I will say that we have not heard of this being tried in the village and we are lucky to have such a great community where friends and neighbours pull together meaning nobody should be left relying on strangers. I'll finish this section with a request for new members to join the distribution list. I currently have approximately 35 households and businesses registered to receive alerts from Country Watch, Neighbourhood Watch and directly from PC Reid. If you'd like to join, then please just drop me an email.

Another issue that has unfortunately increased during the current lockdown is fly tipping. I feared this would be the case when Hampshire County Council temporarily closed the recycling centre on Wade Road and Basingstoke & Deane Borough Council stopped large waste collections whilst reducing household waste collections too. It seems a day does not go by without more waste being dumped somewhere in the Parish, be it a mattress dumped on Farleigh Rd, waste left in the various laybys or sharps bins left in hedgerows.

The borough council's clean up teams are still working and will clear the waste when it is reported so please keep reporting it at; <https://www.basingstoke.gov.uk/report>. I am currently seeking permissions to deploy camera traps in the known hot spots, if successful these should help bring the culprits to account. For small scale fly tipping the authorities can issue fixed penalties of up to £400 and this includes if your waste is found to have been illegally dumped not just to anyone caught dumping it. For larger or persistent offenders, a successful prosecution at court could lead to an unlimited fine and/or 5 years imprisonment. I strongly believe that if a few people are caught and punished the message will spread which will lead to a reduction in this awful activity in our area, fingers crossed!

Finally, I've been asked to explain a little bit about the Speed Indicator Devices (SID) I manage on behalf of the Parish Council. These not only display the speed to approaching drivers to help them 'remember' to stay below 30mph in the village, but they also record data. For every vehicle the date and time plus the speed at which it was travelling is recorded on the SID (no details of the vehicle itself are recorded). I can then download and analyse this data before passing on to the police who can then target problem areas at problem times with a speed trap and (if required) issue fines/points. When set in a 30mph zone the signs will only display speeds between 27-43mph this is to deter 'boy racers' from trying to set the fastest time through them, apparently this had happened with the original design. Unfortunately, one of the SIDs has developed a fault and we are currently awaiting a replacement once lockdown is lifted. They do appear to make a difference to those 'forgetful' drivers and help to reduce speeding within the village. So far, my analysis hasn't revealed anything we didn't already know; peak times for numbers of speeding vehicles coincides with rush hour and school timings whilst the highest individual speeds are recorded during the quiet hours at night.

I hope you all stay safe and remember that we live in a relatively safe area despite the points I raise here and in my emails to Country Watch & Neighbourhood Watch members.

**Simon**      [sibarksy@hotmail.com](mailto:sibarksy@hotmail.com)

## Thank You

We would like to thank you the residents of Basingstoke and Deane for making our job so much easier with all of the recent social distancing and associated measures placed on all of us.

We have and continue to be out and about where you are all so polite and happy to see and speak to us too.

You all continue to be tolerant and community spirited, even tonight at 8pm all we could

hear everywhere was the clapping for our NHS and all of those essential workers. We too joined in.

Where the smallest minority are not adhering, we have challenged, engaged, explaining and encouraging changes in behaviour, and will continue to do so. For us our work is 'business as usual' prioritising the most vulnerable and the highest risk areas.

If you need to call and it is an emergency always dial 999. You can report many matters online using this link [www.hampshire.police.uk](http://www.hampshire.police.uk)

You can still also call 101 if you need to speak to someone.

PS Trevor Taylor

## NEWSLETTER DELIVERY

THANK YOU to everyone who has supplied an email address to receive an e-copy of the Newsletter.

**If you haven't already done so – and would be happy for the Parish Council to hold an email address to deliver the Newsletter electronically – please email 'YES' to confirm this to [alanbtyler19@btinternet.com](mailto:alanbtyler19@btinternet.com).**

In line with the provisions of GDPR (the General Data Protection Regulations), Cliddesden Parish Council takes the protection of your personal data seriously and we will only use your email address for the agreed purpose and will not pass your details to any third party.

# 100 CLUB

Hello all 100 Club members.

Thank you for your support of Cliddesden Village Hall through your membership of the 100 Club and well done to all the lucky winners. **If you have not yet confirmed and paid your subscription for 2020 please do so PROMPTLY** so that we are able to include everyone in the draw and calculate prizes. **Membership is only £12.00 per year**, per number, no limit per household.

**Electronic payment is preferred as this method is quicker and easier and supports the social distancing required in the current COVID-19 situation.**

**For those of you with internet banking** you can set up a standing order or make one off payments to the account details listed below. Please ensure that you email me when you make a payment so that these can be tracked.

If you can only pay by cheque or cash, and this may be delayed, then please let me know. Cheques should be made payable to 'Cliddesden Village Hall' and you can post these through the letter boxes of Angie Fewster, Ridgewood House, Farleigh Road; Julie James at Leaview House, 10 Hackwood Lane or myself Rose Beevers at Church Farm Cottage, Church Lane.

Normally a draw would be held in the Hall in May for April and May. With the Hall being closed for the foreseeable future we are investigating other ways of holding and monitoring the draw.

New members are always welcome – just fill in the form below. Thanks again for everyone's support.

Rose Beevers 01256 475944, 100Club@cliddesdenhall.org.uk

# Village Hall News

[www.cliddesdenhall.org.uk](http://www.cliddesdenhall.org.uk)  
[www.facebook.com/CliddesdenVillageHall](https://www.facebook.com/CliddesdenVillageHall)

What a month! We went into April with the COVID-19 related lockdown in full force and at the time of writing it is still in place and still will be by the time you read this. As a result, the Hall has been closed since 23<sup>rd</sup> March and sadly we have had to postpone or cancel all events and bookings for the time being.

Prior to the lockdown the Trustees had already discussed and agreed a programme of improvements for the Hall, some annual and some one-off, and we are pleased to say that we are continuing with this programme, bringing a few forward to take advantage of the Hall being completely unused for the time being.

One of the key improvements is an upgrade to the carpark lighting, replacing the old bollard lights with something similar but now with much more economical and environmentally friendly LED lights, along with the placement of a few extra bollards in the far corners of the carpark.

In addition, we continue with our regular schedule of work which includes redecoration and floor re-varnishing. But the key to these going ahead is an assessment that it is safe to do so in the current climate by ensuring that social distancing rules are adhered to with the prime focus being on people's health and well-being.

A request: Since the Hall is now not being used it is potentially at a higher risk of malicious damage and theft. There is already a report of lead having been taken from a hall elsewhere in NE Hampshire! If you see anything suspicious going on in the vicinity of the Hall, then please report it through the usual channels.

Otherwise, there is no news to report this month, so a couple of items focused on Hall fundraising in these financially difficult times:

We have mentioned **Give As You Live** many times over the years so this is a reminder that this is a very easy way to make **free** donations to the Hall whenever you shop online, and by all accounts we are all doing that a lot more at the moment. So, if you have not done so already, please sign up for free at [www.giveasyoulive.com/join/cliddesdenhall](http://www.giveasyoulive.com/join/cliddesdenhall) before you do any more online shopping. Once you have done this then whenever you shop at over 4,200 top online stores, a donation will be made to the Hall on your behalf at absolutely no cost to you. What could be simpler?

**100 Club subscriptions were due by the end of March.** If you have not yet renewed your subscription or wish to join or increase it then please contact Rose Beevers on 01256 475944 or via [100club@cliddesdenhall.org.uk](mailto:100club@cliddesdenhall.org.uk) and she will be able to email you the relevant forms including details on how to pay online in order to maintain social distancing. Further details are elsewhere in this newsletter.

In this time of financial uncertainty for charities and small business alike, we do hope that you look into **Give As You Live** and the **100 Club** as easy ways to help the Hall through a period of significantly reduced income.

Finally the Trustees best wishes continue to go out to everyone in the community, and we hope that you, your family and your friends are able to remain safe and well during these uncertain times and look forward to welcoming you back to the Hall when the time is right.

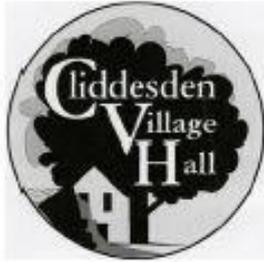

That's all for now. Keep an eye on the Hall's Facebook page at [www.facebook.com/CliddesdenVillageHall](https://www.facebook.com/CliddesdenVillageHall) for up-to-date news, and most of all keep safe and well.
