

Benevolent Report for 2020 AGM – Saturday 10th April 2021

There has been little activity. Since the last AGM just two applications were received and approved. £1250 towards the cost of modifying a home and bathroom and £290 to help install a Piper Life Alarm system.

Our Benevolent Co-ordinator Dawn Barnaby continues to organise Get Well cards and small gifts for those members who are feeling below par or recovering from an illness.

As you are aware we are currently slowly winding the fund down but we still have £31,000 available for grants in accordance with the rules.

John Durston
Trustee
