#### **The Rector's wonderings ....**

The beginning of a New Year is often a time when we look over the past year, take stock and consider how we might make some improvement to our lives. New Year's resolutions become very popular.

For Christians it's a time for us to consider our gifts and talents, and what we can give to God and the church in terms of our service.

We are asked to think about our vocation (calling) like the magi, are you being called to something new?

There were a record number of baptisms in some benefice churches last year, including 3 adult baptisms - these were lovely surprises to all those concerned.

Encountering Jesus in the waters of our baptism, we are called to be children of God. It's something which doesn't leave us, no matter what happens to us in life.

You are never too old to come to Christ, please get in touch with your local church or priest if you want to explore your journey further. I would love to baptise even more adults this year!

Whether we would call ourselves Christians or not, the prayer of St Teresa of Avila reminds us of our calling; *Christ has no body but yours, No hands, no feet on earth but yours, Yours are the eyes with which he looks Compassion on this world, Yours are the feet with which he walks to do good, Yours are the hands, with which he blesses all the world. Yours are the hands, yours are the feet, Yours are the eyes, you are his body.*

*Christ has no body now but yours, No hands, no feet on earth but yours, Yours are the eyes with which he looks compassion on this world. Christ has no body now on earth but yours.*

Christmas in Postling, 2025. The Christmas Eve Crib Service. Appropriately, it was The Baby that stole the show!

Thanks to the extraordinary generosity of the village, £515.00 was collected during the Christmas celebrations, that will go to the Disasters Emergency Committee appeal for Gaza
