Lost or stolen devices.

In the event of a device being lost or stolen, or is suspected of being lost or stolen, the Clerk and Chair of the Parish Council must be informed. The Parish Council will work with the owner of the device to identify and minimise any potential data risk and take any appropriate action, including reporting of any breach to the ICO if necessary.

Repair of devices.

The repair and maintenance of the device remains the sole responsibility of the owner.

Transfer or disposal of a device used for Parish Council business.

If at any point the device is disposed of or transferred to a new owner, all data relating to Parish Council business must be permanently removed, ideally in a manner which prevents recovery. All access facilities to Parish Council business related data must be removed from the device.

Leaving the Parish Council.

If a member leaves the Parish Council or the Clerk ceases to be an employee of the Parish Council for any reason the following actions must take place:

- 1) All personal data received while conducting Parish Council business must be permanently deleted, ideally in a manner which prevents recovery including any back-up copies of data held.
- 2) All access facilities to Parish Council business must be permanently deleted.
- 3) Any hard copy of personal data received while conducting Parish Councils business must be securely disposed of.
