AGENDA ITEM 5 - DORSET COUNCILLOR AND POLICE REPORTS							
0B	24/06/22	Police Report	Report	In	PCSO Bishop	"Fortunately, crime has been low over the last month. However, on Friday 27th May, the windscreen of a vehicle was smashed and a hand bag stolen from a vehicle at Langdon Woods. On a wider note, there have been recent incidents of scams across the area where the Victim has replied to a text message, providing personal/financial details. There are often various scams involving text messages, such as purporting to be a courier company delivering a parcel, or NHS Covid texts. Please be careful around text messages that appear to come from companies or agencies. For example, when my phone provider contact me via text, the sender is shown as the company name, not an unknown mobile number for example. If you receive a text message from an agency or company and you are not sure of it's validity, find a contact number (not one on the text message) for them and call to ascertain the details. Also, please be wary of clicking on any links on text messages (and emails), as they may take you to fraudulent websites. If anyone would like any advice on matters like this or other scams, you can find information at www.dorset.police.uk (you can use the search bar to search for information), or www.actionfraud.police.uk . If you believe you may be the victim of a scam, please report it to Action Fraud on the previous website, or on 0300 123 2040."
