

COMMUNITY CONSULTATION EXHIBITION

PROPOSED EXTENSION OF SAND AND GRAVEL WORKINGS AT LANGFORD QUARRY, NOTTINGHAMSHIRE

These exhibitions are being held by Tarmac to support its proposals to extend the workable sand and gravel reserves at Langford Quarry on land to the south and west of the existing quarry.

Restoration would be to nature conservation habitats with some agriculture – using only materials from the site.

We look forward to seeing you at our exhibitions.

PUBLIC EXHIBITIONS

Wednesday 2nd December 2015

Collingham Memorial Hall, 67 High Street
