Objections raised to both applications including SBC looking at each application individually instead of holistically, inadequate infrastructure, increased traffic at junction with A171.

72/22 **PROCEDURAL MATTER** Standing Orders resumed at 7.02pm.

73/22 **MATTERS RAISED IN PUBLIC OPEN FORUM** All comments on planning applications would be taken into account when Council considered the applications.

*Procedural Matter – Council **agreed** to the Chairman’s proposal that agenda item 11a) be brought forward.*

74/22 **PLANNING APPLICATIONS RECEIVED**

Having taken into account the comments raised in the Public Open Forum, Council’s comments on the following were **agreed**:-

1. 22/01329/FL Erect 18 dwellings, landscaping & associated works following demolition of existing buildings, land adjacent to 38 Limestone Road. **Object** proposed road extends beyond building line into low lying land, even in this summer’s drought the low lying land has been underwater, 18 properties is too many and will lead to overlooking and an overbearing appearance, the infrastructure (sewage) can’t cope now, if all developments currently submitted for the village take place then that will be over 90 new properties, Burniston is in danger of losing its only shop at which point it will become a suburban village not a service village.
2. 22/01359/FL Erect two detached dwellings, associated garaging and amended parking arrangements for 53 Limestone Grove, land east of Limestone Grove. **Object** site is outside the Adopted Local Plan Development Limits, proposal is cramped.
3. 22/01398/HS Erect two storey side extension, 2 Burniston Gardens – **no objections**.
