Proposal To Build 12 Affordable Houses behind Brick Kiln Close, Curlieu Lane, Norton Lindsey

Wolverton Parish Council and Norton Lindsey Parish Council are seeking your views on the proposed development of 12 houses at the rear of Brick Kiln Close, Curlieu Lane, Norton Lindsey.

Whilst the land concerned is actually located in the Parish of Claverdon, as it is surrounded by land/homes in both Wolverton Parish and Norton Lindsey Parish, we recognise that our residents will have views on this proposal. We are also keen to take into account the views of Claverdon Parish residents who live in Brick-Kiln/Morgan Close and Gannaway.

The answers provided to this survey will be taken into account by both Parish Councils when they make representations to Stratford District Council on the proposed development.

**View the plans / complete a survey at
www.nortonlindseypc.org/ccft
by the 7th July 2019**

(printed copies of the survey / the plans are available from the bus stop in Main Street, Norton Lindsey)
