**Subject:** RE: Verge Parking: Bradenstoke Dog Field

Hi Elizabeth,

Before we make decisions and what steps to take. We need more information, Could you please answer no 1, 2 and 3

1. I believe that we do not own the land next to the road, I believe that it belongs to Wiltshire council and that we have a license to maintain it. Is that true?  
*You are correct that we do not own the land. It is in ownership of Wiltshire Council, and we have a license that allows us to maintain the verges.*
2. Does this mean that if we put boulders on the verge that we need to get permission from Wiltshire council?  
*Yes, it does mean that we will need permission from Wiltshire*

3. If we did put large boulders on the edge of the road, would we be liable if someone ran into them. le could they claim against us? **Yes, we would be liable if we installed this. Wiltshire will not absorb the liability.**
4. What would be the cost of buying large boulders and getting them delivered? My initial look on the internet seems to be about £120 each and then about £100 to transport. We would probable need 8, So that's about £1000 **I think flexible bollards were preferred. If you wish for me to cost out the boulders, I am happy to do so. Let me know pls.**
5. Kevin Iles who cuts the grass has always expressed his concern over putting boulders on the verge as it would make cutting the grass difficult.
6. I have seen in other villages that putting up flexible edge markers see [https://www.zoro.co.uk/shop/site-safety/access-barriers/hev040-106-500-wychwood-flexible-verge-post/p/ZT1184820X?utm\\_source=google&utm\\_campaign=pla%2B%7C%2Bsite%20Safety&utm\\_term=ZT1184820X&utm\\_medium=pla\\_css\\_2&targetid=pla-395036697263&loc\\_physical\\_ms=9045605&dev=c&gclid=Cj0KCQiArsefBhCbARIsAP98hXTuPoWGxgOo7qiRMe\\_vJo0t4R\\_EYGMRzXr1IKF1VsoVXtQUJPdbrgcaAutaEALw\\_wcB](https://www.zoro.co.uk/shop/site-safety/access-barriers/hev040-106-500-wychwood-flexible-verge-post/p/ZT1184820X?utm_source=google&utm_campaign=pla%2B%7C%2Bsite%20Safety&utm_term=ZT1184820X&utm_medium=pla_css_2&targetid=pla-395036697263&loc_physical_ms=9045605&dev=c&gclid=Cj0KCQiArsefBhCbARIsAP98hXTuPoWGxgOo7qiRMe_vJo0t4R_EYGMRzXr1IKF1VsoVXtQUJPdbrgcaAutaEALw_wcB) Is effective.
7. On the Foxham Road they have metal posts with tape between them which seems effective. see <https://premierbarriers.co.uk/catalog/plastic-stake-fencing-pins.html> then put white tape between them

Best regards

Frank

**Subject:** Re: Verge Parking: Bradenstoke Dog Field

I don't think they are required. There is sufficient on street parking in the village. If your taking the dogs for a walk it's sort of in the description- walk.

I struggle to support spending money on the stupid and the ignorant.

Stuart

Hi Stuart,

This has been discussed numerous times. I am in favour of putting in two parking places.

Best regards

Frank

**Subject:** Verge Parking: Bradenstoke Dog Field

Hi Elizabeth,

We seem to have a recurrence of vehicles parking outside the dog field and indeed causing considerable damage to the verges.

As can be seen from the attached image.

May we discuss this at the next full council please with the intent to put a physical barrier in place to prevent.

Stones seem to work well elsewhere.

Kind Regards

Stuart
