

# We've got bags of new ways to help you recycle

Working in partnership

# Introducing your new orange bag

**Paper and cardboard**

**Plastics, Glass and Metal Containers**

We're always thinking of ways to make recycling as easy as possible and your new orange bag should do just that. Simply collect all your paper and card in one of the bag pockets – and all your plastics, cans and glass in the other. Then take it down to the communal recycling area empty it out, and take it back to your flat.

✓ Magazines

✓ Junk Mail

✓ Foil

✓ Plastic packaging

✓ Cereal packets

✓ Loo roll / kitchen roll inners

✓ Cardboard packaging

✓ Mixed glass bottles and jars

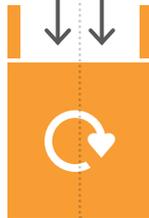

✓ Food and Drinks cans

**Keep material loose, no carrier bags please**

There's no need to separate your mixed recycling anymore – we'll do that for you at our Materials Recovery Facility!

- ✗ Polystyrene
- ✗ Staples
- ✗ Tape
- ✗ Plastic

- ✗ Unwashed tins, jars and cans
- ✗ General waste

**Thanks to all your efforts, we currently recycle more than 50% of household waste. The new system should help us all recycle even more so we can keep Shropshire clean and green.**
