

Duddo Parish Council

Explanation of significant variances in accounting statements – AGAR  
Section 2 of Form 2:

Box 4 shows a change from £0 to £142. There were no staff costs in the year ending 31<sup>st</sup> March 2023 whilst a Clerk was employed part way through the year ending 31<sup>st</sup> March 2024.

Box 6 shows a change from £794 to £546. This is because in the year ending 31<sup>st</sup> March 2023 there was a payment for a repair to an asset and the invoice paid to the Northumberland Association of Local Councils also included arrears from the previous financial year.
