### **4. Secretary's report –**

Congratulations and thanks to all the Clubs on their victories, their participation and their support. To the Executive and Non-Executive Committee members I extend a vote of thanks for all contributions made. In particular thanks to our Treasurer Bill Warnett for his diligence and efforts and once again a massive thanks to Jay Merrell whose work has been invaluable.

Before the season got underway Bill with Jay's help developed a spreadsheet table which has improved the collation of results. In the main the Clubs have returned results on Thursday evenings and Jay has updated and published the weekly tables on Friday. A very smooth operation, I think you will all agree.

In May the WSBL became an associate member of Bowls England and we can now turn to them for any required advice. All the information about the benefits of this are in their booklet and we have a link on our website should you wish to explore further.

I think the Clubs are all doing their best once again to outdo each other with after match catering. It seems the competitiveness is both on and off the green.

Whatever the outcome of the AGM proposals to be voted on, I'm confident our League is in good hands and fair play, conviviality and enhanced development will always continue.

Finally, thanks to John Swayne and North Petherton for hosting tonight's AGM.

## 5. Treasurer's report -

This is the first year since 2019 that we have played a full competitive season with the award of prizes. It is good that we are in that position again and it is with great joy that I can tell you I will, in the spring, be chasing your clubs for entrance fees for the 2023 season.

Also (and I am not running for National Office) I can tell you that we will not be raising taxes (or in our case fees) which will stay at £30 for each team entered.

I present below the Accounts for 2022. The only income being the prepaid subs For Burnham-on-sea for the 2023 season. We have the normal web site costs which this year were £14.39 and for the first time an expenditure of £30 to become an Associate member of Bowls England. The remaining £600 being the prizes awarded for the season just completed.

This leaves us with a healthy balance carried forward to 2023 of £1201.42.

### Income

Income from subs £60.00

Total Income £60.00

### Expenditure

Web Site Fees £14.39

Bowls England Subs £30.00

League Prizes £600.00

Total Expenditure £644.39

Balance Brought Forward £1,785.81

Income £60.00

Expenditure £644.39

Balance Carried Forward £1201.42

**6. Chairman's report** – DB welcomed everyone and applauded both the good attendance and the first time in memory that all Clubs were represented. DB thanked the other executive and non-executive officers for all they had done and reiterated MR's comment that JM does a substantial amount of organising for the League. The meeting concurred.

DB said he was happy to continue as Chairman unless anyone else was willing to take on the role.

North Petherton were thanked for hosting the AGM.

DB wished all Clubs the best for the coming season.
