Your additional household waste

Each household is entitled to place one additional black bag of waste alongside their black bin for the first household waste collection after Christmas.

Any other additional waste will not be collected and will need to be taken to your local Household Waste Recycling Centre (HWRC) for disposal.

What to do with your extra Christmas waste

Tin foil Rinse and take to your local collection point for recycling.

Plastic trays/bin packaging The only plastic we accept in our recycling bins is plastic bottles. Due to plastic packaging being a different type of plastic please place in your household waste (black) bin.

Wrapping paper Wrapping paper. If it is shiny, glittery or hard to tear it is made from mixed paper and plastic or aluminium and cannot currently be recycled. Please place it in your household waste (black) bin.

Glass bottles/jars Rinse and place in your black box or take to your nearest bottle bank.

Batteries Place in a clear (sandwich) bag and on top of your glass bottles/jars in your black box and we will recycle them.

Decorations/gifts Donate any unwanted gifts/decorations to local charity shops, so they can be reused rather than disposed of.

Food waste – turkey/leftovers

All bones, uncooked food and leftovers can be disposed of in your brown food waste bin, just wrap it in newspaper or compostable bags for us to recycle it.

Cardboard boxes Flatten any large boxes and you can leave them beside your green recycling bin to be collected for recycling.

Christmas lights etc Any electrical items which are broken or damaged can be recycled, take them to your nearest Household Waste Recycling Centre.

Recycle your real Christmas tree for free

Recycling collection points for real Christmas trees have been set up around the Borough. Trees can be dropped off between 2-15 January at the following collection points:

- Lakeside Country Park, Eastleigh
- Haskins Garden Centre, West End
- Woodhouse Lane Car Park, Hedge End
