

CRESSWELL PARISH COUNCIL STATEMENTS OF GUIDANCE AND POLICY

GRANT AWARDING POLICY

Introduction

Cresswell Parish Council can only award grants using certain legal powers.

Where there is no statutory power the Parish Council may use section 137 of the Local Government Act to give grants to local voluntary or charitable organisations where the activities will contribute to and be of benefit to some or all of its residents or some or all of the area, and where the benefit obtained is commensurate with expenditure incurred.

This means that grants cannot be given to individuals. Grants will be considered by the Cresswell Parish Council.

Grant applications must meet the grant criteria listed below.

These grants are limited and are made available to organisations that can demonstrate a need for assistance. The total figure available is agreed by the Council as part of the budget for each financial year.

To ensure that fair and proper consideration may be given to all requests, the Council requires applicants to follow the following application Process
