News from St. Nicholas Church

Morning Prayers will be said in St. Nicholas, Boughton Malherbe on Tuesday 27th September at 9.30a.m. They last for about 30 minutes and you will be warmly welcomed if you join the group. Requests for prayer can be left in the box in the Church Porch below the Notice board. On alternate weeks, prayers are said at All Saints, Ulcombe.

Bible Study resumed on Thursday 29th September at Weirton Villa, Grafty Green at 10.30 a.m. Please ring Joan Drury on 01622 853766 if you would like to join this group.

The Ride and Stride took place on Saturday 10th September. Thank you to Sylvia Close and Bill Vinall for acting as welcomers at St. Nicholas. Unfortunately riders and walkers do not seem to want to undertake to climb our hill but we did our bit towards the day. Thank you Sylvia and Bill.

Harvest Festival will take place at St. Nicholas, Boughton Malherbe on Sunday 9th October at 3.30p.m. followed by refreshments and auction of the produce after the Service. The monies raised will be sent to a Charity. If you have any spare produce we would be most grateful to receive it. Someone will be at the Church decorating on Friday 7th between 2.00p.m.-4.00p.m. If you cannot be there then, please ring Joan on 01622 850210 to see alternative times.

Harvest Supper. The Harvest Supper will be on 15th October at 7.30p.m. for 8.00p.m. There will be a three course meal, raffle and a licensed bar. Unfortunately there will not be any entertainment this year, which is reflected in the ticket price of £8.00. Tickets can be bought from the Post Office, members of the PCC and Sandra Pilborough. I'm sure it will be a good evening. See you there.

Dick and Helen's Farewell service in St. Mary's was on Sunday 25th followed by a lunch in the Community Centre when gifts were presented and tributes paid. The joint choirs sang and gave a present of a collage which incorporated pictures of all four of the Churches and the names of everyone in the choirs.

Thank you to all those who helped to make the lunch such a success by contributing to the food or helping serve. People were so generous we were able to hand over money for Theatre Tickets, a collage of the four Parishes, a box of fine wines, money to buy garden furniture and also a painting of the area by a local artist, Pauline Appleton, which will be received later. Several people wrote odes and poetic tributes. All the parishes were well represented.

Good Luck to Dick and Helen and many Blessings to you both. See picture of Dick and Helen overleaf.

The September outing to Headcorn/East Sutton Vineyard was an entertaining, such an enjoyable and informative tour of the vineyard with the added bonus of tasting their delicious wines.

Their Wines

- Sparkling, usually 80% Pinot Noir with 20% Bacchus, East Sutton Vine Garden is the only vineyard in the world producing this as a sparkling wine, with dramatically good results.
- Still White, with Bacchus as East Sutton Vine Gardens leading still wine, often with a small percentage of Reichenstiner giving a good balance but flavourful white wine with great keeping characteristics. They have wine from their first vintages in the early 90's that is still good today, utterly unheard of with white wines.
- Red Wine, having had a superb but small vintage in 2011 they have made a red Pinot Noir for the first time, results are not known as yet but they have great hopes.

Their Cider

- Locally produced medium and dry cider this has proved very popular with both existing and new customers and is sold in the shop together with their tasty wines and which is open Thursday to Sunday.

Grafty Green Gardening Club - Autumn Show

On October 4th the gardening club are holding their Autumn Show. Entry forms can still be obtained from Sue Burch (01622) 850381 or Lesley Feakes (01622) 850275. As usual on show evening the hall will be open at the earlier time of 6.45 to allow participants time to display their entries and for judging to take place. During the evening Maureen Rainey will give us a talk on garden ponds.

Over the summer months many members and their friends have enjoyed a visit to eight gardens four were in Cambridgeshire and four local to Grafty. The gardens were a joy to see, so much imagination and colour. Encouraged by the success of these visits the committee is now planning a full programme of events for the New Year. Before that happens though our 1st November talk by Daniel Denness will happen followed in December by our Social Evening.

Tip of the Month - Start clearing autumn debris to prevent pests and diseases overwintering. Stop feeding trees and shrubs in containers. Start planting new perennials and dividing overgrown ones. Plant spring flowering bulbs and in the vegetable garden plant out spring cabbages. Lawns will need all of the usual treatment too, rake, aerate and top dress, feed and reseed.

Friday 7th October 2.00pm - volunteers are needed to assist with tidying up the Village Hall Garden. All are welcome even if you can only spare a short time it will be much appreciated!

Carole Frost, Co-secretary, Grafty Green Gardening Club (01622) 757536.

Thanks are due to many people for making the 'Animal Antics' fun-day last month such a great success, not least those who participated in our dog show and supported our stalls. Without you the day would have been nothing, so thank you for entering into the spirit of the event! The biggest thank you, though, goes to Carol Hulm, who put the whole thing together and who, with the support of the committee, worked tirelessly to bring us such an enjoyable afternoon. Details of our competition winners (other than in the dog show) and pictures of the event are on our website (address above). Do have a look.

Now, I have been trailing our next '**Phil The Bag**' day for the last couple of months but only now am I able to let you know the date. It's very soon, **Sunday October 9th**, so I hope you have been putting your unwanted clothes, etc, into black plastic sacks to bring along to the Village Hall between 10.30 and 12.00 that day. And, don't forget, it's also an opportunity for an informal chat over a cuppa, so do allow a few minutes for a sit down and a natter over tea, coffee and biscuits while you're there. Further details are in a separate advert in this magazine. If you can't get your items to the Hall on the day, let me know and we'll make arrangements to take them from you beforehand. My contact details are below.

Also this month the Village Hall hosts the traditional annual **Harvest Supper**. This year the date is **Saturday October 15th**. Tickets are available from the village Shop (thank you Rob) as well as from your usual suppliers!

Two other events have become village traditions in recent years, the pre-Christmas Quiz Night and the Christmas Craft Fair, and both of these return over one weekend this December. The **Quiz Night** will be held on **Saturday 3rd December** and the **Craft Fair** on **Sunday 4th December** (see separate advert). Do, please, put these dates in your diary now. Tickets for the Quiz Night will be on sale from Rob at the shop (thank you again, Rob) from the beginning of November and, as this is always a very popular event, you would be advised to buy yours early. A reminder will appear in next month's magazine.

That's all for this month. I look forward to seeing you at the Hall soon.

News from Helen Whately - Your MP

It's back to the whirl of Westminster after the summer recess and I've been getting stuck in. A new Prime Minister at the helm of a new Cabinet, means there are fresh opportunities to shape the Government's agenda.

With that in mind, I called a House of Commons debate on fly-parking – lorries parking in inappropriate places – to push sorting this problem out to the top of the Roads Minister's to-do list. As people living in parts of Kent know, trucks fill every lay-by, line up on the hard shoulder of slip roads, crawl onto the verges of country lanes and tuck themselves away in housing estates. None of these places have facilities for drivers, so as well as the problem of huge HGVs parked on the roadside, there's also littering and fouling of verges and hedges with human waste. Residents nearby are understandably upset, and it's pretty bad for the drivers themselves.

So we need more lorry parking spaces in Kent. The Government has committed £250 million for a new lorry park at Stanford West with space for 3,600 trucks, to provide a desperately needed alternative to closing the M20 for "Operation Stack" when there is disruption at the Channel. This will be an enormous relief for residents and businesses across Kent, especially those who live near the motorway. To make the most of this investment, there's surely a strong case for making the lorry park available for overnight parking of HGVs outside of Operation Stack.

I made these points in the debate and afterwards the Roads Minister, John Hayes, committed to looking into how many more lorry parking spaces are needed and how they can be made available. He also wants to do more about litter on roadsides – a particular problem along parts of the M20. I'm looking forward to taking him up on his offer to meet me and other Kent MPs as well as councillors and hauliers to thrash out some concrete solutions.

Helping people who've been handed a raw deal in life is one of the reasons I wanted to be an MP, so I was delighted to host a jobs fair with Maidstone Jobcentre recently. This event was particularly about helping people who are struggling to get into work but could find their lives transformed by a steady job and an income. At the same time, it was a chance to support several local businesses looking for staff.

Over 500 job-seekers, mostly from Shepway and Park Wood but also the wider area around Maidstone, came to meet more than 30 employers. There was a real buzz in the room as candidates sought out opportunities to fit their skills. Afterwards I heard that several candidates had been offered jobs, which was a great result. I also spoke to one job-seeker from Ulcombe about her challenge looking for a job, made harder by not having a car. This highlighted the extra difficulties for people living in rural villages, and afterwards I spoke to the Jobcentre about transport support and how they might be able to help her.

Of course the biggest issue facing the country at the moment is Brexit, and how to build a successful future outside the EU. I'm keen to get a sense of how you feel about the big changes that are on the way, so I've been knocking on doors over the summer asking people what they're looking for in our new relationship with the EU, and how Brexit will affect them personally.

My priorities for Kent remain the same - improved transport, fair school funding, better healthcare, supporting local businesses and protecting the countryside. But I want to hear from people in Malherbe, so that I can make sure your views are represented in Westminster. If you're reading this please do get in touch and tell me what matters to you. You can find my contact details below.

Grafty Gourmet

If you are a lover of coconut, this one is for you. The curry flavour works wonders with the coconut and the toasted almonds add that extra flavour and texture to this great dish.

Coconut Chicken

4 tbsp of sunflower oil	1 tbsp of ground turmeric
4 chicken breasts, skin on	1 tbsp of Madras curry powder
4 medium potatoes, cut into 2cm cubes	2 cinnamon sticks
2 onions, peeled, chopped, then blended in a food processor to a paste	175ml of chicken stock
3 garlic cloves, peeled, finely grated	1 x 250ml carton of coconut cream
5cm piece of fresh ginger, peeled and finely grated	1 x 400ml can of coconut milk
	250g of peas

To serve

50g of flaked almonds, toasted
A handful of chopped fresh coriander leaves

1. Preheat the oven to 200C. Heat two tablespoons of the sunflower oil in a frying pan over a high heat. When the oil is almost smoking, add the chicken breasts, skin-side down. Fry for 2-3 minutes, or until the skin is golden-brown, then turn the chicken breasts over and fry for a further 2-3 minutes, or until golden-brown all over.
2. Transfer the chicken breasts to a roasting tray and roast in the oven for 10-12 minutes, or until completely cooked through. Remove from the roasting tray and set aside on a warm plate.
- 3 Boil the potato cubes in salted water for 10-15 minutes, or until tender. Drain well and set aside.
4. Heat the remaining two tablespoons of sunflower oil in a deep-sided pan over a medium heat. Add the blended onions and fry for 8-10 minutes, stirring regularly and adding more oil as necessary to prevent the onions from sticking to the base of the pan. Add the garlic and ginger, and continue to fry, stirring frequently, for 2-3 minutes.
5. Add the turmeric, curry powder and cinnamon sticks, stir well and cook for a further 1-2 minutes, or until the spices are fragrant. Pour in the stock, coconut cream and coconut milk. Bring the mixture to a simmer. Simmer for 18-20 minutes, or until the volume of liquid has reduced by about a half and the sauce has thickened.
6. Add the cooked potato cubes and peas and return the curry mixture to the boil. To serve, divide the curried potato and pea sauce equally among four serving bowls. Top each with one of the reserved chicken breasts. Sprinkle over the toasted almonds and coriander leaves.

The Great Leeds Book Sale

The annual Great Leeds Book Sale will be held this year on Friday November 11th from 4.00pm to 8.30pm and Saturday November 12th from 10.00am to 2.30pm at St. Nicholas' church Leeds. Note that we are again extending the opening hours to cover the Friday evening for people who can never make Saturday mornings – last year many people said they found it helpful. There will be some 14,000 books for sale – yes 14,000! – so something must be there to suit everyone's taste. As well as paper-backs and hard-backs for a quiet read yourself, there are plenty of splendid books in as-new condition which would make excellent gifts.

For sale of this size we obviously need and get support from a wide area and it has now become a major local attraction – it is not just for Leeds residents. Refreshments will be available to sustain you while you browse. So don't miss out – make a note NOW to keep some time free on the 11th or 12th or indeed both! If you like handling and exploring books, and would be interested in helping with setting out the books in the week before the sale, please do let us know (see phone number below).

If your bookcases are already full, it is not too late to make some space for more inexpensive purchases by donating some books to the sale – just deliver them to the church any day between 9.00am and 4.00pm, and leave them in the South porch (but no old magazines, videos or second-hand toys please; save these for the next jumble sale or boot fair; and please no encyclopaedias – we can't sell them nowadays).

If you would like more information about this important local happening, please give Brian Hardy a ring on 01622 842915, or email bjhardy@theiet.org. Otherwise, just come along!

WINDOWS 10 – OneDrive

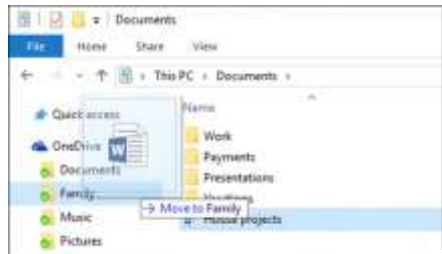

OneDrive is free online storage that comes with your Microsoft account. Save files there and be able to get to them from any PC, tablet, or phone. It is also a very good and guaranteed back-up for your documents and pictures.

The basics

To save a doc on to OneDrive, select OneDrive folder from the list of save locations.

To move files to OneDrive, open File Explorer and then drag them into a OneDrive folder.

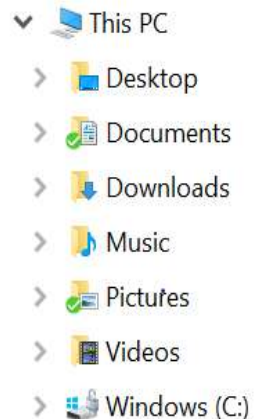

No Internet? No problem.

Files saved to OneDrive are available online at OneDrive.com and offline on your PC. That means they can be used anytime, even when not connected to the Internet.

When reconnecting, OneDrive updates the online versions with changes you made offline.

Note: These files are synchronising, so if you delete any from either location (OneDrive or PC Documents), they will be removed from both locations.

Stay in sync

File Explorer icons show you the sync status of your offline folders and files.

It's in sync with online version.

It's getting in sync.

The version on your PC is out of sync. To find out why, go to the right side of the taskbar, select the **Show hidden icons** arrow, press and hold (or right-click) **OneDrive**, and then select **View sync problems**.

If you need any help, please visit the Egerton Telecottage on Saturday morning between 10am and 12noon <http://www.egerton-kent.co.uk/telecottage>. October Music notes

A good selection of concerts this month, and there are more if you look around. I have included a London concert for once, because it features our local Maidstone Singers. There are always good concerts in London of course if you are prepared to make the trip, and this one also provides support for our own. But as the list shows, there is really good quality in October without a long journey:

- Sunday 2nd October, 7.30pm at Great Comp, Borough Green, TN15 8QS, the final concert of the Great comp festival is by the internationally known Allegri String Quartet. Booking 01732 882327
- Saturday 8th October, 7.30pm at All Saints' church, Maidstone, The Kent Chamber Choir have a joint concert with Kantorei Barmen-Gemarke. Tickets 07715 399320 or at the door.
- Saturday 15th October, 7.30pm at Maidstone Leisure Centre, Maidstone Symphony Orchestra's opening concert for the season includes Shostakovich's Piano Concerto No 2 and Berlioz's Symphonie Fantastique. Tickets 07817 429143 or at the door.
- Friday 21st October 7.30pm at Sutton Valence School, a concert by the classical guitarist Sean Shibe, under the aegis of the Sutton Valence Music Society. Tickets at the door for non-members.
- Saturday 22nd October, at St. Pauls church, Covent garden, London, the Maidstone Singers are performing as part of the Brandenburg Choral Festival. Tickets www.brandenburg.org.uk/maidstone, or from choir members.

For the stay-at homes, this month I would just remind you that on Wednesday afternoons at 3.30 radio 3 broadcasts Choral Evensong, from a different location each week. It is usually repeated at 3pm the following Sunday. These broadcasts are not just acts of worship, but performances of the cream of British church music- very well worth listening to.

Carriageway Repairs in Your Area

Road Surface Treatment

Coldbridge Lane, Boughton Malherbe, Maidstone

When we plan to carry out the work and how long it will take

This is to let you know that, as part of the on-going maintenance and improvement of the highway network, Kent County Council will be treating the surface of Coldbridge Lane, from the junction with Lenham Road up to Coldbridge Farm entrance.

The surface treatment work will be carried out on **6th, 7th and 10th October, 2016** and will take approximately **4** days to complete. This work will be carried out between 7:30am and 7pm. This type of work can be affected by bad weather, so if it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road before we start, showing the date we plan to start work.

What we plan to do.

We will use a product called 'Micro-Asphalt' to treat the road. Micro-Asphalt is quick to apply, which means less disruption to road users, residents, local businesses and the emergency services. It is a cost effective way of prolonging the life expectancy of the road before any major repair works are required. It also benefits from having a low carbon footprint.

Micro-asphalt is applied cold, in fluid form directly onto the existing road, in two 8mm thick layers, that seal the surface to prevent water penetration, restore texture and improve skid resistance. The first layer is rolled in order to achieve a compact surface on which to lay the top layer. The top layer is not rolled as we want the stones to remain proud of the bitumen whilst it cures to give texture to the new surface; this influences skid resistance and durability. The action of a roller would push the stones deep into the bitumen, which is why we rely on the movement of vehicles, which are much lighter, to aid the embedment of the stones.

The finished surface will look quite coarse, uneven and rough immediately after laying, but will improve during the first 4 – 6 weeks of use by traffic, as the material beds in. The laying process may result in the fluid splashing slightly up the kerb face; this is normal and will weather with time. Generally within seven days of completing the works the road markings will be reinstated and within 3 weeks the ironworks (road drain covers, manhole covers, etc.) will be adjusted to suit the new surface. BT covers are excluded from our works, as these are normally raised by BT themselves, but this may not be carried out until a few weeks after the completion of our works.

How can you help?

During these essential works, it will be necessary to close Coldbridge Lane completely (between Lenham Road and Coldbridge Farm) so that we can carry out the works safely for both the workforce and road users. An alternative diversion route will be signed while

the road is closed via Coldbridge Lane, Barhams Mill Road, Southernden Road, Southernden Road (Headcorn) and Lenham Road (And vice versa). Any pavements will remain open at all times.

It is inevitable that residents and businesses near the works will experience some disruption, but we will try to keep this to a minimum. Access to properties will need to be restricted for short periods while work is carried out in front of each property. If you have any particular access needs, please let the workforce on the site know.

We need your help to make sure the work is done as quickly as possible and to the best possible quality. If your vehicle is usually parked on the carriageway, please make sure you park it somewhere else away from the site whilst the works are carried out, so the road is clear for us to resurface.

If you need more information about these works please call us on **03000 41 81 81**. You can also visit our website www.kent.gov.uk/highways to find out how we look after the roads throughout Kent, or report any faults you find on our roads.

Christian Message October 2016

Humility is very different to false piety. We can all think of politicians or celebrities who are a little too pleased with their success or feel the need to promote themselves. There will even be people closer to home, at work or amongst personal friends, who are quick to let us know about either their own achievements or what they do for others.

True humility is:

not feeling good, or boasting about, good works and giving;
not minding when we have to support others at detriment to ourselves;
realising how little we know and the continuing need to learn more;
not feeling happy at others' misfortune but wanting the best for them,

and it most certainly does not require others to know about our actions. In Matthew chapter 6, verses 3-6 we are told that our rewards will be in heaven:

But when you give to the needy, do not let your left hand know what your right hand is doing, so that your giving may be in secret. Then your Father, who sees what is done in secret, will reward you. "And when you pray, do not be like the hypocrites, for they love to pray standing in the synagogues and on the street corners to be seen by others. Truly I tell you, they have received their reward in full. But when you pray, go into your room, close the door and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you.

So let us leave the empty vessels and clanging gongs to screech out their tuneless songs. But let us instead, be filled with the Holy Spirit and tread forward with discretion and grace, quietly going about God's business without seeking popularity or reward, but with love towards all we meet along the way.

Pamela Cuerden

Focus on Faith

The next Bible Day for women will be held in Ryarsh village hall on Wednesday 19th October at 10am. The speaker will be Lyndall Bywater from Canterbury. This is always an enjoyable event. Ask Sally Alexander or Joan Drury about it and do think about coming. Our telephone numbers are in this magazine.

**Extracts From The Unapproved Minutes Of A Meeting Of Boughton Malherbe Parish
Council Held On Monday 5th September 2016 In Grafty Green Village Hall**

KCC/MBC Reports

Jenny Whittle KCC:

I am meeting with Michael Heath shortly to discuss progress with my highways schemes, including the number of HGV signs that you and other parishes have ordered. I will come back to you - this will be done before I stand down next May, you have my word.

MBC – Cllr Shellina Prendergast:

There is not a great deal to report: the Local Plan is in and the timetable published; there is currently a recruitment drive for 80 PCSO's for the Maidstone area.

Local Policing/Community

Police Report - PCSO John Boyd.

12 July – 06 September 2016 total of crimes

There was one crime to report for this period:

10 August Crumps Lane , Criminal damage – Chain to gate cut

2 RTCs at Colebridge Road and Church Road

As well as the above there were 5 calls to the police, including the 2 RTC's.

Community Warden Report read by the Clerk

I do not have much to report regarding Grafty Green except the multi-agency liaison that occurred recently with regards to the horse fair that passed with no real issues reported. I have had a couple of local enquiries regarding speeding/unsafe driving. I have stopped off in the village on four occasions in the last two months and have had nothing reported to me.

As ever, if there are any issues or concerns – whether it be ASB related or of a welfare nature please do not hesitate to get in touch.

KFRS

- no report. A new door has arrived for the defibrillator which is free of charge as the current one is faulty. which needs replacing (Message from Chris Wheal via Cllr Turner)

Speedwatch There have been 4 sessions of late, usually a 2-hour stint, and between 10 and 21 speeding cars were logged. More sessions are needed, Cllrs Collins and Galton volunteered to help.

Highway and Footway Matters

Liverton Hill – the fire hydrants were done last week. The bottom of the Hill has been resurfaced and water runs right through the resurfacing. Cllr Turner to ask Sue LaPorte if the whole Hill can be resurfaced as some routes in neighbouring parishes have been done.

Ditches, gullies, potholes - the gully outside Homestead is still blocked – so badly that the camera couldn't go through it. Also blocked outside Maples where they overflow when it rains.

UK Power Networks: An electric cable was repaired by them in church Road, outside Ash Tree Farm. They partly backfilled the trench correctly but ran out of the correct material and backfilled about 3 metres with excavated material finished with gravel on top as a temporary measure. This will soon sink and become a rut. A resident spoke to them and was assured this would be rectified by today but nobody turned up. Clerk to contact them at the end of the week if still not done.

Hedges around the apple orchard have not yet been cut back. Also Millpond Hill. Cllr Turner to contact the land owner.

HGV signage – previously covered

59 Bus – Cllr Collins

Nothing new to report, the bus is still running. The next group meeting is on 26th September and there are no notifications of any changes so unlikely to be any now.

Councillor Reports on any External Meetings attended

Cllr Turner attended 2 meetings:

KALC AGM, and the Police Forum Meeting which is now known as Police and Neighbourhood Watch and takes place in Maidstone Police Station every quarter.

It was decided to place a notice in Malherbe Monthly for a Neighbourhood Watch person in Grafty Green, stressing there is already one in Platts Heath and Liverton Hill.

Finance

To note the Balance at the Bank:	Nat West	26,889.65
	Santander	500.00

Income since the last meeting - none

Bank Reconciliation – seen and signed by Cllr Collins

Community Assets

Resolve amount to be spent on acquiring Assets - this was discussed and no action taken.

Clerk to find out procedure

Action Clerk

GGVH – Cllr Collins has examined the GGVH Deeds and considers there is sufficient safeguarding in place to protect it for the Community.

Next meeting - Monday 7th November. The Meeting closed at 9pm.
