

EDGCOTT PARISH
MINUTES OF THE ANNUAL PARISH MEETING
HELD AT 6pm ON MONDAY 15 MAY 2023
IN EDGCOTT VILLAGE HALL

59/23 Attendance:

Cllr P Harper (Chairman)
Cllr R Webster
Cllr R Kay
Cllr S Gassor
Cllr Angela Hawes

Apologies:

Bucks Councillor Angela Macpherson

In attendance:

C Jackman (Clerk)

60/23 Minutes of the Annual Parish Meeting held on 16 May 2022:

The minutes of the Annual Parish Meeting held on 16 May 2022 had been approved and signed by the Chairman at the Parish Council meeting held on 23 June 2022.

61/23 Chairman's Report:

1 Royal Events

The following Royal events had been held:

4 June: Celebrations to mark the **Queen's Platinum Jubilee** were a success.

8 September: Her Majesty Queen Elizabeth II: 1926-2022

A joint statement from the Parish Council and the Parochial Church Council was issued on 10 September following the death of HM Queen Elizabeth II. It was noted that:

A book of condolence was available in the church from 10 September and then moved to the village hall on 17 September for a further four days. The Condolence Book was collected by Rev Hiscock after HM The Queen's funeral.

The Proclamation was read at a church service on 18 September (it was noted that the Parish Council did not have a legal responsibility to read the Proclamation).

A National Minute's Silence was held in the village hall the same evening.

6 May: A celebration of the King's Coronation

An Afternoon tea and drinks event had been held in conjunction with the PCC in the village hall and had been enjoyed by all. Coronation mugs had been bought for the under 18's in the village.

2 Planning

Proposed new prison in Grendon Underwood

Following the refusal of the Ministry of Justice's planning application to build a new Mega prison in Grendon Underwood the MoJ has subsequently submitted an appeal the result of which is awaited. As Bucks Council nor the Parish Council will have sight of the Inspector's report before it is submitted to the Secretary of State, additional information objecting to the Prison has been sent to the new Justice Minister highlighting in particular the local prison staffing problems and the location difficulties for a resettlement prison.

Springhill expansion

The Parish Council has objected to an application by HMP Springhill to demolish existing boiler house, proposed development of two new houseblocks, training centre, staff offices, kitchen storage building and associated car parking and landscaping, alternation and reinstating existing wall.

An application is pending to retain 120 accommodation units and a further application for 41 accommodation units at HMP Springhill is also pending.

Travellers Site

An appeal will be triggered once Bucks Council get a start letter regarding the change of use of land for the creation of 4no Gypsy/Traveller Pitches for residential use, including the siting of 4no mobile home, 4no touring caravan and the erection of a dayroom (Retrospective).

Refused Application

The appeal for planning to build a property on Church Lane was refused.

3 Village Hall

The bookings are starting to pick up after the COVID lock down. It is hoped that the village hall committee will soon resume their regular meetings.

Running costs as a result of increased electricity charges are a concern.

4 Local Police

A new police officer, Eleanor Fenemore, has been appointed to the Waddesdon area.

5 Street Lighting

Chair thanked Charles Harris for overseeing the street lighting. A new contractor has been chosen to carry out work in the village.

LEDs have been installed on all the lights on the main road. The lights in Leonards Close, Lawn Hill and Lawn House Lane will be updated when the “cost effectiveness” has been established.

6 Highways

A “walk-about” with the new Local Area Technician took place recently and outstanding items highlighted.

The road closures are proving to be frustrating. The condition of the roads in this area and beyond is a concern.

7 Speeding

No volunteers for speedwatch have come forward but it is hoped to get the police speed enforcement team to visit the village again soon.

A date for the installation of the new MVAS is being sought.

There is no appetite in Bucks for the introduction of a 20mph speed limit through the villages.

8 East West Rail (EWR) / HS2

Chair thanked Roger Behagg for all the work he has carried out in holding EWR and HS2 to account and for representing the village at the CALM meetings.

HS2: A HS2 mobile visitor centre will be visiting the village on 25 May.

It was disappointing that HS2 did not use the access road at Fleet Marston as much as they could.

EWR: EWR work is slowing down so, hopefully, there will be fewer HGV’s using the village.

9 Oxford to Cambridge ARC

The only recent update is that the word “ARC” has been dropped and replaced by “Partnership”.

10 Street Furniture and Pond Project

A dog bin, two new litter bins and two new seats have been purchased.

The litter bins have been located at the bottom of Perry Hill and at Pond Corner. The new dog bin has also been installed at Pond Corner.

One seat has been installed at the village hall and one seat has replaced the Joy McGarry memorial seat on Grendon Road.

11 Community Board

The Community Board started during COVID but the size of the Board appears to make Edgcott feel remote. It is now trying to set up local cluster groups. The first Waddesdon Cluster Group meeting in the Haddenham and Waddesdon area will be held at the end of August.

12 Quarterly Newsletter

Chair thanked Cllr S Gassor for her work producing the quarterly newsletter.

62/23 Village Hall Lease

It is noted that the Village Hall 20 year lease, signed on 2 September 2013, will **expire on 1 September 2033**.

Action: Expiry date to be added to the agenda for the next Annual Parish Meeting.

63/23 Buckinghamshire Councillor Angela Macpherson's report is at Appendix 1.

64/23 PCSO Report

The PCSO did not produce a report but the new police officer said that there was on-going work locally and asked that anyone seeing anything suspicious should report it on 999 or contact the local police.

Meeting closed at 7pm

Buckinghamshire Council Annual Report to Parish Councils May 2023

This report provides a short update on some the past year's activities and achievements for Buckinghamshire Council and reflect the four corporate priorities of the Council

The fund was available to support those businesses affected by the pandemic but that were ineligible for existing support linked to business rates. • The Council paid £3.4 million to 917 businesses under the Omicron Hospitality and Leisure Grant (OHLG). The main benefactors of this grant are restaurants, cafes and public houses. • Buckinghamshire Council recruited 45 young people on six-month contracts as part of the Government Kickstart scheme. 17 Kickstarters have secured a permanent role within the Council. • 89.3% of schools are rated good or outstanding by Ofsted compared to 88.5% nationally (November 2022), and 98% of early years providers are also rated good or outstanding, compared to 97% nationally. • Key Stage 4 (GCSE and equivalent) results continue to be above national. In 2022, the Attainment 8 score in Buckinghamshire was 57.3 compared to the national figure of 48.8.
---	--

Buckinghamshire Council also launched the Parish Charter to articulate and demonstrate the Council's commitment to work together with all local councils in Buckinghamshire and we have developed an action plan alongside it.

As Councils within Buckinghamshire we all have a common purpose to improve the economic, environmental, health and social wellbeing of Buckinghamshire. Parish councils work within tight financial constraints, represent communities at a truly local level and are a vital key connection between the unitary council and our communities.

As your locally elected councillor I look forward to continuing to work closely with you in the year ahead and be on hand to address local issues to help improve services and the lives of the residents we all represent.
