Mowing

Contracts:- After discussion with the PC insurance company it was established that public liability insurance would be covered by the contractor's insurance, not the PC's. Any personal insurance is the responsibility of the individual.

It was agreed that volunteers from the Estate would mow all the verges on Oxendon Road from the fields and all areas past the church to the Braybrooke triangle. Tim Taylor volunteered to mow the churchyard and would involve some young people from the village. No payment would be asked for this. Cllr. Handy to speak to the church warden to inform them.

CGD (now 4 Counties) will mow the village green and the banks on Kelmarsh Road at a cost of £70 plus VAT per visit. Cllr. French to contact them and to provide a list of dates in order that residents can be informed when mowing is to be carried out.

Any Other Business:-

- 1) On next agenda – Registration of church land.
- 2) On next agenda – Northern Orbital Route questionnaire.

Meeting Closed at 7.30pm
