

Treasurers Report to the Somerset Bowls Association AGM.

November 2021.

I attach for your information the accounts for the Somerset Bowls Association. No matter has come to the attention of the accountant during the examination

It has been a difficult 18 months since a decision was made to reduce the SBA affiliation fee down to **£2.50 from £3.50**, what with covid and a reduction of **600 members in total**. It was then stipulated by Bowls England that the affiliation fee collection would be pushed out from December 2020 to May 2021!

It was on this situation that the finance committee advised the Board that there would be no unnecessary expenditure until the next fee collection from clubs.

On the playing side I would like to congratulate Steph and the Amy Rose squad on their performance at Leamington, and all the Somerset Bowls players who raised the profile of our county at the National Championships.

I would also like to say, I hope John Durston enjoys a long rest after his years of service to Somerset Bowls.

Andrew Chappell

SBA Treasurer
