19 DECLARATIONS OF INTEREST

There were no new declarations of interest.

20 PUBLIC COMMENTS

Mr and Mrs Hart from 22 Parkside again voiced their concern about the safety of some of the trees in Bishop's Wood.

21 RESPONSE TO PUBLIC COMMENTS

OCC Countryside Services had advised that they would assess the safety of all the trees in Bishop's Wood which overlooked the footpath. They would advise the owners of their responsibility to make sure the trees were safe.

MP indicated that the Parish Council would continue to be a conduit for information on this matter.

22 APPROVAL OF THE MINUTES OF THE PREVIOUS MEETING

The minutes of the previous meeting were approved.

23 MATTERS ARISING

23.1 Facebook

NT reported that the village facebook page was developing well with more traffic during the last month.

23.2 Potholes

MM has written to OCC again and they had said they would let him know when the repairs would be done. They intended to resurface London Road in Wheatley but did not know when this would happen.

24 COUNTY COUNCIL (AP)

- OCC had decided that the more easily repaired potholes would be rectified first as it was considered that more improvements would then be made less expensively. The worst damage would be left until last as expensive resurfacing was usually required
- There was still some money left in the fund for WW1 projects.

25 PLANNING

MM had advised SODC that the Parish Council recommended approval of the application to reposition the garage at 49 High Street (P14/S0369/HH).
