Feel at home at Somerset Care.

The Somerset Care Group

If you want to experience one of our services before making a longer-term commitment, all of our homes offer short-term Respite Care.

We also provide care and support in your own home through our home care teams.

Your care explained

Residential Care
Live the life you choose in one of our residential care homes, with support on-hand for daily tasks like personal care and medication, as and when you need it.

Nursing Care
Benefit from specialist in-house support to meet your higher level or more complex needs, for instance if you require a hoist to help you get in or out of bed.

Dementia Care
Our specialist dementia teams provide a safe, secure and stimulating environment to help you to live well with dementia.
