Decision of Bramshaw Parish Council.....

Towards the Vicar's stipend, house and pension and other central expenses. We have to raise about £30,000 p.a. to meet our expenses and currently run at an annual deficit.

We are spending considerable sums this year on renovation of the bell tower and the church bells - one of these is of great historic interest being one of the oldest in the country - dating back to about ~~1220~~ 1220 A.D.

We have considerable reserves to cover such capital expenditure but also rely on the income from this each year.

P.C. members will be interested to know that the church contains the First World War Memorial with the names of 20 young men from the parish on it. (I propose to talk about this at the Annual Assembly.)
