

## Moulsford Events

Dave Reynolds

### Events Update : Summer has finally arrived

Whilst the weather during May and June was not that great this has not dampened spirits and the Friday Socials have been very well attended – thank you to everybody.

Particular thanks must go to George who has provided some excellent food which I know has been complimented by many, many villagers, if you have not tried some – why don't you pop along to one of the forthcoming Friday nights? Also many thanks to the Church for their feast on the 7<sup>th</sup> June.

Over the last few weeks the weather has warmed up, and we hope for this to continue for our **Tennis, Pimms and Strawberries Afternoon**. Please do join us on **Saturday 13th July from 1.00pm** where we shall be screening the Women's Wimbledon final.

In our effort to reduce plastic usage we are looking at purchasing some tougher reusable glasses to sell at a nominal cost to villagers, in the meantime may I ask everybody to ensure that during an evening our current plastic glasses are reused. Please also place them in the recycling bin at the end of the evening.

If you have any questions or queries, please contact the Moulsford Events Committee Secretary, Bernadette Sachse on [bmsachse@outlook.com](mailto:bmsachse@outlook.com). Also, keep an eye on the Moulsford Village Facebook page.

## From Your Parish Council

Just over a month into our new roles, the Parish Council members have found their feet and we are up and running, making progress with matters passed on like batons from the outgoing members and we are also starting to look ahead to developing new projects.

Amongst top priorities at the moment are the Pavilion driveway lights, which please be assured we are working on to get into general use as soon as possible, even though we still have long summer evenings to enjoy for a while yet. Another key issue is the playground; sadly several smaller posts have rotted through and after thorough investigation, two other pieces of equipment have been taped off as a precaution. The PC and the original playground committee are in the process of investigating solutions with the manufacturer to arrange repairs.

As residents will be well aware, Moulsford can make many claims to having a unique character. One of those claims is that the village is the home ground of two substantial independent schools - Moulsford Preparatory and Cranford House. We have now visited both schools to meet with their key representatives to find out more about their current and future plans and discuss the schools' relationships with the wider community. The PC and both schools recognise there are significant challenges in having two large schools resident in the village, so all sides are keen to engage in constructive communication to resolve issues and to explore enhancing school engagement with the village community. Both schools have some fantastic facilities, so there is great potential for the wider community to benefit from them as well. We are giving it some thought and the Events Committee are starting to work on some ideas as well. If you would like to know more, give us feedback or have some suggestions, please do get in touch.

Finally, it was reported at the last PC meeting that on 30th May an ambulance could not get along Underhill due to cars parking staggered on both sides of the road. We have raised Underhill's parking and other road issues with Oxfordshire County Council to find out what the solutions might be. In the meantime, we would like to remind all residents of our narrower lanes to please take care with parking to avoid a repeat of this situation.

We look forwards to letting you know more about other projects and ideas in September; we wish you all a great summer!

## From the Vicar

Andrew Petit

My dear friends,

I am writing this in a week when on Wednesday there was a mass lobby of Parliament with regard to climate change which was attended by many church leaders including Steven Croft, our own Bishop of Oxford, and on Thursday the Glastonbury Festival was kicked off with a huge *Extinction Rebellion* march. None of us can claim to be unaware of the dangers of climate change, especially in a year when there have been massive floods in Mozambique, Zimbabwe and India and even now much of Europe is yet again roasting under temperatures of 40 – 45 degrees Celsius.

No doubt, we all agree that *something must be done* and maybe some of us have even been on protests and marches or lobbied Parliament. It is very easy to blame governments for being slow to respond, but at the end of the day they are only reflecting the desires of their electorates, which of course includes you and me. The real question is how much do I really care? Do I care enough to change my life-style, pay for more expensive energy, cut down on my use of the car and air-travel, cut down on all the food that is transported huge distances from across the globe, cut down on food like beef stuffs and other products like palm oil which involve the deforestation of vast tracts of land.

As a Christian, I believe that God created this universe including our beautiful planet as a finely-tuned mechanism to be our home. The Bible tells us that He has entrusted this planet into our care as wise stewards. Tragically we seem to be betraying that trust.

Living as we do in the beautiful and usually very green Thames valley, we are largely insulated from the worst effects of climate change apart from enjoying warmer summers more frequently. The danger is that we can kid ourselves that the situation is not as urgent as it really is. Sadly, it is the poorest in the world who already are being hit severely by the effects of climate-change, usually in the form of floods and hurricanes. But even if we are not moved by compassion for the poor, or the injustice of the most vulnerable suffering as a result of the greed and stubbornness of the rich, then at the very least we should face up to the fact that what the poor on the other side of the world today are suffering as a result of changing climate, will be facing us and certainly our children and grandchildren tomorrow.

Bishop Steven wrote this week in his blog: *"The Bible is rich in images of hell. One such image is that of the flood waters rising bringing chaos, which will be the reality for coastal towns and cities across the world. One is a place too hot to live. This week much of Europe is preparing for a heat wave and temperatures high enough to endanger life on a massive scale. Another is of a rubbish dump. As I write this, the Guardian reports the news that the UN Special Rapporteur says our world is increasingly at risk of "climate apartheid", where the rich pay to escape heat and hunger caused by the escalating climate crisis while the rest of the world suffers. These are the futures we are bequeathing to our children."*

I hope that you have a lovely and enjoyable summer, but on the hottest days, take a moment to reflect on our responsibility - as a nation and as individuals - to do all we can to change our life-style so that the effects of climate-change can be halted.

With warmest regards,

The Vicarage, Church Road, Cholsey, Oxon OX10 9PP. Tel: 01491 651216 [andrewpetit@virginmedia.com](mailto:andrewpetit@virginmedia.com)

## Monthly Coffee Shop

**Gail Slinger**

**Stroll up the road and meet fellow villagers for coffee or tea and a friendly chat.**

Every month, **Second Wednesday**, there is a coffee morning in the pavilion from 10:30 - 12:00. Unlimited coffee, tea, biscuits and cake all for £1.50.

If you are a mum or dad with young children, bring them along. Perhaps if you are new to the village and would like to meet new friends? You may have lived in Moulsoford for some time, so if you are free during the morning, why not join us. It is suitable for everyone and your friends are welcome to come along too! A group of regulars take it in turn to set up and 'put the kettle on' with real Coffee and a selection of Tea's too.

A big thank you to **Valerie** for helping put the kettle on at the June Coffee Shop, and thank you for the lovely goodies we had to offer.

The **July Coffee Shop** hosts are **Pat & Audrey**, we will be hosting a 'Wimbledon' theme with **Strawberries, Scones** and **Bubbles** to drink, coffee & tea is available too.

The **August Coffee Shop** hosts will be **Ann & Paul**.

We look forward to seeing you all.

**NEXT DATES: 10th July 2019**

# Universal Credit being used in new scam – Citizens Advice

Universal Credit has well and truly arrived - but now scammers are using the benefit as a pivotal part of a new sting to target vulnerable people.

Citizens Advice says scammers are offering loans to their victims and then using their personal banking details to apply for Universal Credit in their names.

The scam is usually carried out by telephone, so do not accept a loan if you have been contacted by cold calling. If you are contacted in this way, just hang up. In general, personal details should not be divulged on the telephone or in an email.

The Universal Credit scam is also being carried out in public places. As victims leave job centres and pubs, they are approached by smartly dressed people claiming to be from the Department of Work and Pensions, who then offer "government loans". Instead, the victim is signed up for Universal Credit. The scammers then apply for an advance payment of the benefit. This payment goes to the victim's bank account but the scammers then charge a huge fee, around 50 per cent, for this unnecessary "service".

Citizens Advice has its own free service to help those applying for Universal Credit for the first time. "Help to Claim" is available over the telephone, face to face, and online through "webchat" and Internet content.

The national Freephone number for Help to Claim is **0800 144 8444**. Telephone and webchat services are available from 8 a.m. to 6 p.m. (Monday-Friday)

For any other issues you might need help with, telephone Citizens Advice Adviceline on 03 444 111 444 or come and see us in person. For locations of offices and opening hours see [www.citizensadvice.org.uk/local/oxfordshire-south-vale](http://www.citizensadvice.org.uk/local/oxfordshire-south-vale).

## Goring Gap Photo Club

Janet Philips

**The new season of the Goring Gap Photo Club starts with two excellent talks!**

**Tuesday 3 September Steven Galvin LRPS on "Judge, Jury and Executioner"** <http://stevengalvin.photography/>

As an experienced judge as well as competitor in photographic competitions, Steven aims to inspire photographers to go out and take better photos and then process them into better quality images. His candid observations are intended to be thought provoking, often humorous, informative, perhaps tongue-in-cheek, but always positive.

**Tuesday 17 September Damon Guy on "Abstracts, Patterns and Art in your Eyes"**

<http://www.photokonnexion.com/damon-guy/>

We are lucky to see the return of writer/photographer, Damon Guy, who will be talking about abstract art and photography. He will show examples of abstract photographs and discuss the nature of an abstract image. Abstract art enables the artist to convey impressions and ideas from the images that we see. He says " *Photo abstracts take the viewer away from knowing or recognising the subject. Instead they invite the viewer to almost 'feel' the textures, forms and other elements of the subject. Often abstract photography makes the object unrecognizable as an object in its own right. Instead it directs attention to the look and feel – the essence of the object.*"

**The talks are held at The Free Church Hall in Goring RG8 9HB**

**starting at 8 pm**

**All welcome! Non-members £3**

## Tom turns back the clock at Moultsford Prep School

Tom Williams returned to Moultsford Prep School recently – although it wasn't to hand in an overdue assignment, but as an outstanding role model to the students in his old Design Technology class.

Tom, as all of you who attended his wonderful solo Rally Talk in the Pavilion, is representing Britain – and in particularly Moultsford – in the FIA Junior World Rally Championship. That in itself is an extraordinary achievement, given that he only started rallying four years ago. Yet his willingness to learn, the dedication required to prepare physically and mentally for long gruelling events and his attention to detail in working on a pace note system and practice changing a broken wheel in less than a minute has seen him quickly rise up rallying's ladder in record time. The

hard work is already paying off, as he is established as Britain's biggest future rally talents.

And his skill behind the steering wheel and charm and cheeky grin in front of camera hasn't gone unnoticed. Tom is already a member of the works M-Sport Ford team, an Extreme Sports ambassador, supported by the RAF Reserves and has his foot on the Red Bull ladder. That alone gives him a social media audience in excess of 50 million people. And then there is the World Rally Championship audience, with its 1.6 billion on-line impressions per year and 700 hours of television broadcast in 155 territories.

It is no surprise therefore that Tom's visit to Moultsford Pre School was covered by BBC Oxford, with presenter Angie Walker filming it for the early evening news and recording it for BBC Radio Oxford.

Hosted by the school's Sarah Beardmore-Gray, the Design Technology class was a great place to film, where project head Jess Roberts – one of Tom's former teachers – and the current students showed BBC Oxford around the Goblin kit cars that it builds. Tom wasn't the only racing driver in the room, as he met Leo Robinson – who has been competing in the European Karting Championships, and is going to the World Championships in the summer. It came as a surprise to 20-year old Tom that 10-year old Leo had actually been competing one year longer than he had!

Several of the pupils were interviewed and it was great coverage for the school and the village when the feature was broadcast on BBC Oxford that evening.

"It was lovely to go back to Moultsford Prep School and have a look around – it brought back so many good and happy memories," said Tom.

"It was great to talk to the pupils, and it was really nice to see that they all support their local village driver in the World Rally Championship – and I hope I was able to inspire them.

"I've had a good start to the series, with strong performances in Sweden, Corsica and Sardinia. There are two more rounds of the Junior series to go, in Finland and our home Rally GB event, and we are aiming to move up into the next level of car as soon as possible. Competing in a Fiesta R5 will need an extra bit of backing, and when I'm not driving in a rally I am putting bespoke commercial packages together and talking to potential sponsors. It's the

business side of the sport which people don't see, and that is why starting my education at Moulsoford Prep School has given me the potential to be both a good sports and businessman."

If you are interested in finding out more about partnership opportunities with Tom in World Rallying, please contact him on: williamsrallygb@gmail.com.

## Cholsey Village Show - Sat 10th August - Noon-5.30pm

Cholsey HortSoc's big annual Village Show (the 76th!) attracts a large crowd to the Whitehead Meadow (car access via Station Road) for an afternoon full of family entertainment. The Marquee with a huge range of horticultural, craft and photo exhibits opens for viewing at 1pm for the disabled and HortSoc members, and 1.30pm for the general public (plenty of free parking on site). The entertainment features a Punch & Judy/Magic Show, Fun Dog Show, and the Cholsey Silver Band. Come along too to meet Lu's Owls and the Island Farm Donkeys. There are children's "have a go" games, a bumper raffle with fantastic high-value hampers, lots of charity/trade stalls, and on-site boot sale. For refreshment you can choose from a BBQ, bar, afternoon tea cafe and ice creams. At the end of the afternoon there's an auction of produce etc from the Show (major bargains to be had!).

If you would like to enter something in the show there are more than 120 classes to choose from covering vegetables, flowers and floral decorative, domestic produce (preserves, breads, cakes and bottles), handicrafts (knits, crochet, embroidery, painting/drawing, knitting, felting, etc) and photography, plus various classes in three age groups for children. Lots of cups to be won and most classes are "open." Schedules and entry forms are now available in the village from the HortSoc Store/Station Road allotments (open Saturday mornings), the Community Library, Park Butchers, and online at [www.CholseyHortSoc.org](http://www.CholseyHortSoc.org), or contact us (see below). Do please take part.

If you are interested in having a stall at the Show or boot sale, contact HortSoc Secretary Jennie Kent 01491 652100 and our rep. will be in touch with you.

### PAVILION MANAGEMENT COMMITTEE TREASURER

The Pavilion Management Committee, (PMC), is predominantly a group of volunteers who operate the Pavilion on behalf of the village.

Our current Treasurer is standing down and we'd love someone from the village to step in and join the team.

The role includes payment of bills and refunds, managing the bank account and providing monthly accounts. The PMC meets 4 times a year.

If you have some experience of book keeping, accountancy or you've acted as a Treasurer for a similar Committee and you'd like to support an important part of village life, then please contact us:

Nigel Mansford at [clockox@aol.com](mailto:clockox@aol.com) or 07968537827
