Odour from 1300 for several hours

1145 and 1300 driving past site

Odour from above during the morning and afternoon on the road into the village

Friday 6 Aug - disgusting vile TT stink in my garden & home since 3.45pm, still stinking 4.32pm

Very acrid odour from tunnel tech this morning.

The odour was noticeable from around 9.15 am to 13.45pm. The foul stench was similar to a combination of pot

The smell from tunnel tech is there this morning quite bad

We arrived home at approximately 2.30pm on 11th August, 2021 after a couple of hours riding in the countryside

See attached email regarding the odour from above.

See attached complaint about the odour from above today.

Yet again acrid odour from tunnel tech. Why do you think this is acceptable. ? How long do you intend to just mo

I have to agree with XXX. The stench is wafting in on the breeze.

2 complaints from this house please

Another stinking day today 12th Aug, it's impossible to work in the garden with this vile sickening odour...

2nd complaint today 12 Aug. Still a horrendous TT stink after 5.30pm.

What a lovely start and finish to the day breathing in odours from tunnel tech. 6am this morning had to close door

Saturday 21 Aug - vile sickening TT stench 12.20pm at site entrance & driving towards Bawtry & still a stink 4pm
