Democratic period

Tom Webb reiterated his concern about the litter along Hedgerley Lane and the MSA roundabout. He mentioned that there were countless beer cans and he'd even found used condoms in the layby.

TW also told the meeting that Norman Grundon had arranged remedial work on the Holt and Councillors hoped this would alleviate the flooding problem. He'd also arranged for work done to the pond area. Clerk thanked TW for organising this and will also be writing to Norman Grundon to thank him.
