10. Urgent Business –

- Cllr Jopling gave feedback from the public meeting held in Headon Village Hall on 18th February, regarding the **Waste Processing and Wood Burning Plant** at Headon Camp. Villagers from Headon, Upton, Stokeham, Grove and East Drayton were present. The global company which owns "Retford Waste to Assets Ltd." currently has 4 out of 164 wood burning furnaces in operation, burning wood to dry wood. Smoke pollution and particulates from these 4 burners are affecting the villages of Stokeham, Grove and Headon. There is concern about the increased and more widespread pollution as well as increased lorry traffic (thus affecting East Drayton), should all 164 be in operation. The company had applied for permission to burn 55,000 tons of mixed waste for fuel. Consent was denied and on Thursday last the company withdrew its application. This means they can re-apply. The waste has been removed from the site, along with the 24 hour security whilst it was there. Suggestions made at the meeting were to gather petitions against the proposal and involve the DCllr for the Rampton ward. Headon PC has set up an action group and the Clerk agreed to contact the Headon Clerk to keep East Drayton fully informed of any action on their part or the company's.
ACTION – The Clerk
- The issue of the state of the byway from Church Lane through to Top Street, due to repeated action by unauthorised vehicles was raised. This is also a problem on Riddings Lane. The Clerk is to contact the Rights of Way Officer at NCC, to see if it is possible to shut the byway to unauthorised vehicles for part of the year (November-March). This would not affect walkers or horse riders.
ACTION – The Clerk

11. Date of next meeting – Tuesday 20th March 2018 at **7:00pm** in the Village Hall. Postponed to Tuesday 17th April at **7pm**.

There being no further business, the Vice Chairman thanked everyone for attending.

The Vice Chairman declared the meeting closed at 7:32pm.

Signed.....

Cllr N Stanley, Chairman, East Drayton Parish Council
