

Wolverton Parish Plan 2020

Wolverton Parish covers Wolverton Village, Wolverton Fields (up to Red Horse Corner) and Blacon. Our five voluntary councillors represent you on various issues including planning.

In 2013 we successfully commissioned our first Parish Plan questionnaire, with a 93% response rate, meaning Stratford District Council take more notice of the results and of our plan.

It is time to create a new plan and to hear your views about what is important to you about living in Wolverton Parish. We would like to know what you want and where you think our efforts should be concentrated on making Wolverton Parish a better place to live, where you think we should prioritise and how we can make decisions which reflect your views.

Your views on housing needs were collected separately in 2019. Your views on all other areas will be used in creating our Council plan and in our decision making.

We also plan to publish a summary of responses as part of the new plan. However, we also appreciate that anonymity is important to encourage a free expression of your views. To manage this, no comments will be reproduced verbatim in the summary report where a reference was made that could identify an individual.

All residents' views are invited, however young or old, on or before **Sunday 13th June 2020**. You can submit one copy per household if your views are the same or we welcome individual questionnaires. Please email completed forms to the clerk@wolvertonpc.org.uk, or drop off with the Clerk or one of the Parish Councillors. Please get in touch if you would like us to collect any paper copies of the completed questionnaires.

In addition to filling in the attached paper copy, you have the choice of completing the questionnaire in any of three ways:

1. By email as an attachment you can request from: clerk@wolvertonpc.org.uk
2. By requesting an additional paper copy from the Clerk of the Wolverton Parish Council on 01789 730757 or a Parish Councillor.
3. By downloading it from the Parish Plan section of the Wolverton Parish website <http://www.wolvertonpc.org.uk> and then emailing to clerk@wolvertonpc.org.uk.

We are hoping to be able to discuss preliminary findings later this Summer.

Please do help us by completing the questionnaire so we can make Wolverton an even better place to live!

Yours sincerely

Wolverton Parish Councillors

So, what does Wolverton Parish Council (WPC) do?

WPC is a legal body, the lowest tier of local government, with a range of legal powers and duties, responsible for representing local people, especially with County and District Councils. These higher tier councils provide the big picture services like education, social care, environment and highways. Parish Councils focus on the local.

To discharge its role, WPC must know the views of residents and act accordingly to make the parish a good place to be. For Wolverton, a small parish with few amenities, action is focused on:-

- Influencing planning and development, including responding to all planning applications
- Shaping the environment, such as grass cutting and foot path and bridleway oversight
- Lobbying others, such as County Highways to resolve potholes etc.
- Grant applications to support local initiatives, such as the new churchyard and community space.

In order to do this, WPC has tax raising powers, the 'precept', which next year will be £3,500 as a small percentage of your council tax payment. Funds are spent largely on the wages of the Clerk and environmental management, as well as donations, such as the replacement defibrillator battery; and training.

Your responses in 2013 led to the Parish Action Plan with 50 action areas completed by the Council and volunteers. You said you wanted action and the volunteers provided lots, including:-

<i>A village defibrillator outside church hall</i>	<i>Wireless broadband to homes in the village due to slow speeds via Snitterfield exchange</i>
<i>Police meeting leading to speed watch training and speed monitoring</i>	<i>Roads and footpaths were inspected and some improvements made</i>
<i>Church hall right to bid registered</i>	
<i>Most importantly, Councilors regularly use the survey views in responding to Stratford District Council for planning applications and in influencing other local initiatives on your behalf.</i>	

Further information can be found on the Parish Council website: www.wolvertonpc.org.uk

WPC needs to know your views on life in Wolverton to best represent the community. The Parish Plan is a key way for you to have your say - and gives the Council some muscle in pushing and lobbying for what is important to parishioners.

So, please tell us what you think - all comments and ideas welcome !

WOLVERTON PARISH PLAN QUESTIONNAIRE 2020

Please add a separate sheet if you need more space for any answers

A. About you

1. Where do you live? (Please tick relevant box)

B. Housing & Development

Wolverton Parish is within the Green Belt and, because of its small size and lack of facilities, is not earmarked for development in Stratford District's Core plan. Even so, limited development would still be possible if it met a need identified by the local community.

A housing needs survey was carried out in April 2019 and identified a need for two new homes for households with a defined local connection for Owner-occupier (local market) of:

- 1 x 2-bed bungalow Owner-occupier self-build
- 1 x 3-bed house

If you have any other comments on local housing needs or developments then please comment below.

G. The Future - Ambitions for our Parish

Your Parish Council has a small annual budget of less than £4000, the main spend is on grass cutting at the Green, crossroads and Norton Lea.

The next largest is on our Clerk to handle the increasingly complicated statutory and administrative work needed just to have a Parish Council. None of which sounds exciting but we could do lots more if people in the Parish said what they want or need.

We could all share new work as volunteers, or we could take out a mortgage for a major capital investment and grants are available from time to time for smaller projects. In addition, the Community Infrastructure Levy (on new buildings) occasionally provides a small budget to invest in the Parish.

Some possibilities are here but please tell us what you think would be good for our Parish (Please tick relevant box)

	Yes	No	No view
1. Make Wolverton the greenest parish in Warwickshire			
2. Improve access on foot to the Train station			
3. Hold a regular pop up pub			
4. Improve habitats for wildlife			
5. Improve communications with elderly residents to reduce loneliness			
6. Negotiate to create new footpaths and then build the access			
7. Rural crime prevention – CCTV or ANPR.			
8. Christmas lights in the village / village green			
9. You feel satisfied and happy now and don't want much change.			

Your ideas - short or long term, no matter how easy or impossible.....

H. Finally

If YOU had to choose just one change - What would it be?

Are there any other issues or ideas you would like to raise?

Thank you for taking the time to complete the questionnaire.
