

Match Secretary's Report to the AGM 2021

All men's, ladies, friendly and Executive matches for 2020 were arranged and sent out to clubs and players in January but unfortunately all was cancelled due to the Pandemic. For the 2021 season all possible fixtures are in place. So far the Cornish tour and the 2 matches against SCIBA and some of the ladies intercounty league matches have been cancelled, but on the bright side we are hopeful that bowls will start up again and therefore I am not cancelling any other matches until things become clearer, that said we need more applicants returns or we will not be able to put out a team.
