The Annual Parish Meeting is not a Parish Council meeting. It is a meeting of the parish electors that takes place every year between 1 March and 1 June.

Electors can contribute to the agenda and in practice these meetings often celebrate local activities and debate current issues in the community.

Most importantly it is the village's opportunity to have its say on matters that are regarded as important to our community - but in a relaxed and informal format. There is the opportunity for village organisations and individuals to get together to meet and exchange ideas and see what has been happening in Burton Leonard over the past 12 months and what future plans are in store.

The Annual Parish Meeting will be immediately followed by the April meeting of the Parish Council.
