

Please see the update below from Public Health England for 4 June.

- The Department of Health and Social Care (DHSC) confirmed that, as of 9am 3 June, there have been 4,786,219 tests, with 171,829 tests on 2 June. 279,856 people have tested positive. As of 5pm on 2 June, of those tested positive for coronavirus, across all settings, 39,728 have sadly died.

(as of 5pm the latest figures have not been published)

Data

- The PHE dashboard can be found here: <https://coronavirus.data.gov.uk/>
- Our daily reporting includes deaths that have occurred in all settings where there has been a positive COVID-19 test, including hospitals, care homes and the wider community. The report also includes case rates per 100,000 resident population at lower tier local authority level.
- PHE's weekly COVID-19 surveillance report was updated today:
<https://www.gov.uk/government/news/weekly-covid-19-surveillance-report-published>
- PHE's weekly report about the number of outbreaks in care homes was also updated today:
<https://www.gov.uk/government/statistical-data-sets/covid-19-number-of-outbreaks-in-care-homes-management-information>

Information, advice and guidance

- An updated version of the shielding guidance has also been published:
<https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19>
- DCMS and Sport England issued a release on 1 June regarding groups of up to six from different households can now exercise outside under new rules
<https://www.gov.uk/government/news/groups-of-up-to-six-from-different-households-can-exercise-outside-under-new-rules>
For more information read: [Coronavirus \(COVID-19\) guidance on the phased return of sport and recreation](#) including for: [Personal trainers and coaches](#) and [Providers of outdoor facilities](#)
- The Government has updated the guidance for people who are clinically extremely vulnerable to COVID-19 and have been advised to shield:
<https://www.gov.uk/government/news/prime-minister-hails-resilience-of-shielders-as-restrictions-set-to-ease>

- The Department for Education has updated their guidance on what parents and carers need to know about schools and other education settings during the coronavirus outbreak <https://bit.ly/ParentsGuidance>.
- The Home Secretary delivered an oral statement to the House of Commons yesterday on health measures being introduced at the border in response to coronavirus <https://www.gov.uk/government/speeches/home-secretary-oral-statement-on-health-measures-at-the-border> . The new public health measures will be in place from Monday 8 June. News story: <https://www.gov.uk/government/news/public-health-border-measures-to-come-into-force-next-week>
- Information to help bereaved families, friends or next of kin has been updated by the Cabinet Office to include Welsh and Romanian language and printable versions. <https://www.gov.uk/government/publications/support-for-the-bereaved>
- The Ordnance Survey has worked with Natural England to create a site that brings together current advice from government, councils and other outdoor organisations, so the public can decide where to go and what to do outside: <https://getoutside.ordnancesurvey.co.uk/covid/>
- MHCLG yesterday published rough sleeper accommodation survey data for May 2020 <https://www.gov.uk/government/statistics/coronavirus-covid-19-rough-sleeper-accommodation-survey-data-may-2020>

NHS Test and Trace

Further resources to explain and promote NHS Test and Trace have today been added to the Campaign Resource Centre. These include:

- 40 second [TV advert](#) including subtitles
- [Alternative versions](#) of assets including BSL and audio
