

Billericay Bowling Club

The Green Ranger

Role Description

To act as a single point of contact between the club members and the park managers in relation to matters concerning the maintenance, improvement and management of the bowling green

Ensure that any agreed action undertaken between the Council and the Club is implemented and raise any issues with the Council and the Committee

Listen to the views and concerns of the club members in regard to the green and make a decision as to whether any such issue is a Club or Council responsibility

Raise members' concerns, which are found to be the responsibility of the Council, with Council Officers after seeking approval from the committee

Deal with any concerns found to be the responsibility of the Club or raise with the Committee

Determine the direction of play and publish a daily schedule at the beginning of every season. Make a copy of the schedule available for inspection at the clubhouse

Liaise with the Green keeper as to when it is appropriate to use protective ground sheet
