

Section 3 – External Auditor's Report and Certificate 2024/25

In respect of

Penton Grafton Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02 as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2024/25

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority have an email address that belongs to the authority but it is not being used for email correspondence. The smaller authority must use this email address for all correspondence relating to the authority's business.

The smaller authority have answered 'N/a' to AGS Assertion 9 which is incorrect. Evidence has come to our attention to suggest that the smaller authority is a managing trustee, and therefore this should be ticked 'Yes'.

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the council is holding a low reserves balance as at 31 March 2025. The council should ensure that expenditure is closely managed. The council have acknowledged reserves are low and are looking to build up to a more appropriate level.

3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
