

Neighbourhood Development Plan Report for September Nether Wallop Parish Council Meeting on 14 September 2020

Drop-in Displays in Wallops Parish Hall on 28 August 2020

The Hall was set up by the NDP team and opened for people to view the displays from 2-8pm on Fri 28th August 2020. The event was a success with good attendance, despite appalling weather. About 65 people attended and 80 response cards were handed in. The online survey will remain open until 5pm on Friday 18th September 2020. The cards are being written up and will be combined with the on-line responses, of which there are only about 7 at present.

Future steps in the NDP process

- The online questionnaire survey closes 5pm Friday 18th September and as of this morning, there are only 7 completed surveys – we need to publicise the imminent closing date (e.g. “only 5 days left!” etc) via any local Facebook groups or similar?
- The original hand-written postcard responses are with the NDP team and being typed up by Gail Foster to record what was being said on them.
- Once the online survey does conclude, we need to combine all results into one place – to be agreed.
- We know that officers from TVBC did not attend the event on Friday 28th Aug – therefore, but copies of the posters have been sent directly to both Imogen Colley and Sarah Hughes and feedback requested from both. There is no need for them to complete the questionnaire.
- We need to progress the application for a Grant to cover the NDP expenses and consultancy fees (**Action Gail Foster**)

Next Steering Group Meeting

Monday 28th September 2020

Proposed Change of the Steering Group Chairman

At the next Steering Gp meeting Karen Addison is standing down as Chairman and it is proposed that Cllr Edward Souter will be elected as chairman. Karen Addison has agreed to remain on the Steering Group so that she can provide continuity and advice.
