

## PCSO February-March-April report for Warbleton Parish Council 2024

Looking at data from 14<sup>th</sup> February to current, crime remains relatively low in the beat code for your location. Below are reports made to Sussex Police in the mentioned date range. Please note that the information has been redacted, meaning no other details of these reports will be shared.

13/04/2024- Bodle Street Green, suspicious activity and car abandoned in nearby field.

Wealden NPT (neighbourhood policing team) continue with our Operation Downsway activity reducing KSI's (killed and seriously injured) on our roads and PC's and PCSO's across the district have been positively engaging with motorists, completing speed checks, supporting Community speed watch sessions, as well as monitoring mobile phone and seatbelt checks on drivers.

Wealden NPT has been very proactive around Op Terrain relating to a spate of stolen motorcycles in the Wealden and Eastbourne area.
