

Shepton Mallet Get Ur Skates On - Child Protection Statement

This project is a self-funded financially independent activity under the oversight and guidance of the Shepton Mallet Bowls and Tennis Club and therefore is bound by that constitution which in turn makes reference to the policies of the Bowls England and the Lawn Tennis Association. The Club's Management Committee includes the post of Welfare and Community Officer and each section within the Club appoints an individual to report directly to this position.

For clarification we adopt at this time The British Roller Sports Federation Child Protection policy available at brsf.co.uk which contains the following introduction

Everyone who participates in the organisation is entitled to do so in an enjoyable and safe environment. We have a moral and legal obligation to ensure that when given responsibility for young people coaches and volunteers provide them with the highest possible standard of care

The policy then list examples of good practice and poor practice which we endorse and adopt.

Elizabeth Goodhand

Project Committee and Team Leader
