

# Protect yourself and others against rogue traders

Most people who call at your home are genuine. But sometimes people may turn up unannounced and try to sell you services or items you do not want or need or carry out unnecessary repairs to your home at inflated prices.

If you're concerned about someone calling at your home, **don't open your door.**

## You can:

- Ask for identification and call their company yourself (not on a number they provide) to check they are genuine
- Ask the visitor to return another time when someone can be with you
- Get three written quotes
- Ask family and friends for recommendations
- Agree payment arrangements and start and finish dates in writing beforehand, and never pay in full until you're completely satisfied with the work.

## Preventing fraud

Together, let's stop scammers.
