Skateboarding

The weekly sessions at the Village Hall will continue through 2019-20, thanks to a grant of £2,000 from the Vale of Aylesbury Housing Trust's Thriving Communities Fund. The Tesco 'Bags of Help' scheme will also include the village skateboarding project, which guarantees at least another £1,000 funding. With these grants to meet all the costs of running the project, it will cost the parish nothing for the second year.

Village Environment

- A few dog owners are behaving anti-socially by throwing their dog's waste into the ditches and hedges. If you see this happening, please suggest the owner either uses the nearest dog waste bin or disposes of it at home.
- A working party to tidy up litter and the roads is being organised by Cllr Liz Taylor for Saturday July 6th, if you would like to be involved.

Little Marsh Road Development

The managing director of W.E. Black Ltd will attend the June meeting of Council to discuss the development of the Little Marsh Road site ('Ewelme A'). It has outline planning permission for up to 22 new homes in Swan Field.

HGVs

Councillors recently met the new Freight Transport Officer of Bucks County Council to progress the feasibility of a weight limit on HGVs travelling through the village.
