

## CLERK REPORT JULY FULL COUNCIL

The new notice board at Bodle Street Green Village Hall was fitted on the 23<sup>rd</sup> June and all councillors were emailed pictures.

As a result of the June Full Council meeting the zoom subscription has been cancelled and the subscription will finish on the 20<sup>th</sup> July.

The Village Leaf were contacted on the 24<sup>th</sup> June to request advertising the parish councillor vacancy on their Facebook page. The vacancy was also advertised on the Punnett's Town Facebook page twice and the second time I encouraged the public to sign up to the email alerts on the Parish Council website.

PCSO Cathy Gilling has been in touch and is hoping to attend the Full Council meeting.

After the June Full Council meeting I contacted East Sussex Highways regarding Marklye Lane. They have passed on the Parish Council's concerns and request to meet with someone on site. They have advised a member from the Traffic and Safety Team will be best placed to advise any measures that could potentially be put in place. The team are investigating the Parish Council's concerns and will contact me directly with an update in due course.

Work on the wording for the Parish Council logo has commenced but is not yet ready for approval.

Cllr Graham is attending planning training via zoom on the 1<sup>st</sup> September.

I will be contacting the parishioner wishing to hire The Green on the 1<sup>st</sup> August to request a Risk Assessment for their gathering. Under delegated authority and with Cllr Long's consent the party will not last more than 3 hours, there will not be a barbeque and there will only be low level children's music playing in the background.
