

Eythorne Parish Council March 2020 Edition

Milner Road Bus Shelter Damage

The bus shelter on Milner Road Elvington has been targeted 3 times in the last 3 months with someone breaking the glass panes. The Parish Council have made the decision not to replace any of the glass until the damage stops. If you have any information about who is breaking the glass, we urge you to come forward, so together we can keep our community safe and looking presentable, you can use the contact details below.

New Website and Email Address

The PC has made the decision to change provider of the website and email address. Therefore, please use the following contact details:

eythornepcclerk@fastmail.fm

Potholes and General Reporting to KCC and DDC

Kent's roads have been saturated due to heavy rainfall since November and this has made the network extremely vulnerable to potholes. Highways crews have been scouring the county's 5,400 miles of road network ensuring dangerous potholes are filled immediately. Potholes not considered to be dangerous are placed into a programme and will be filled in within 28 days.

Kent County Council encourages residents that spot potholes to report them online via Kent.gov.uk with 70% of pothole reports to KCC coming through this online fault reporting tool.

However, due to the potential danger of some potholes or road surface defect it is advised not to wait to report a pothole or road surface defect until your next parish council meeting and try to avoid reporting such defects to your parish clerk or Parish, District or County Councillor, but to report it direct on line to ensure KCC Highways receives your report within minutes and reduces any risk of errors as a result of information being passed on third hand.

Save the Date for Annual Parish Meeting

The Annual Parish Meeting will be held on **20 May 2020 in Eythorne Resources Centre at 7.00pm**. This meeting is for the community to come together. A warm welcome awaits you, please come and join us.
